GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From M.R.Ry. V. SUNDARARAMAIYA, B.A., Registrar of Assurances, Kistna, to the Inspector-General of Registration, dated Masulipatam, 21st May 1888, No. 126.

I have the honor to bring to your notice the urgent necessity for extending the office building of the Sub-Registrar of Bezvada by adding a new room to the existing one, and forward herewith a plan with estimates for the second or "Office" room and asphaltting the existing or "Record" room. The present accommodation is so small that there is scarcely breathing space for the Sub-Registrar, his clerk and peon, three-fourths of the room being crammed in with almirahs, tables, chairs and benches.

2. The estimate amounts to Rs. 1,197, and I am not qualified to pronounce any opinion on the correctness of the same. The Sub-Registrar says that he availed himself of the assistance of a Public Works Department servant in preparing it.

3. No funds are available for meeting the expenditure in the budget sanction of this district for 1888-89, as the building of an additional room costing more than Rs. 1,000 will not come under petty construction.

T. No. 1317.

Submitted for the orders of the Government.

2. The present office consists of a room 18' x 10'.

3. It is proposed to convert it into a record-room, and to build an additional room for the office, as shown in the enclosed plan, at an estimated cost of Rs. 1,197.

4. The work is not one which can be carried out departmentally, and I would recommend that the papers be transferred to the Public Works Department if the additional accommodation be approved of.

5. Bezvada is a self-supporting office.

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated 7th November 1888, No. 1722 K.S.

As requested in your No. 2272 C., dated 18th June 1888, I have the honor to submit herewith regular plan and estimate for the necessary extension of the Sub-Registrar's office at Bezvada.

2. All the accompaniments to the above are herewith returned.

Note by the Chief Engineer, Public Works Department.

A plan and estimate of Rs. 1,197 for additions to the Sub-Registrar's office at Bezvada were prepared by the Registration Department and transferred to the Public Works Department with the approval of the Judicial Department on 6th June 1888.

2. The papers were sent to the Superintending Engineer, II Circle, for the submission of a regular plan and estimate, and that officer has forwarded proposals, amounting to Rs. 1,435, for the necessary extension to the building; but the Chief Engineer considers that two of the doors should be replaced by iron-barred windows, and the necessary alterations have been made in the plan and estimate, which will now stand at Rs. 1,520. No allowance has been made on account of the value of the doors.

NOTE OF REMARKS.

19.11.88

The estimate under
series amounting
to Rs 1435 provided
for the extension of
the Sub-Registrars
Office at Thiruvananthapuram
in the Kistna Dist.

A plan & Est. prepared
by the Registration Deptt
was submitted for
Sanction through
Govt. in the preceding
Deptt. that not being
found in order
was sent to the
Supy. Engr. II Circle
for his preparation
& submission of a
regular plan and
Est. for this work
with this office
Enclosurement No 2272
of 10th June 1888.

in original plan & estimate
is now submitted
which provides for the
required extensions
with a room 18x18 with
a continuation of
the verandah all
round.

It is explained that
the additional work
to be carried out
in all respects
similar to the
existing work.

The previous Est. was
counter-signed by
the Inspector General
of Registrars and
approved by Govt.
in the Judicial Dept.
it may therefore not
be necessary to go
through this course
again, but as the
Est. has been increased
from Rs 1197 to Rs 1435
it may be well to
inform the Judicial
Dept. of the increase
in the Est. and the
circumstances which
led to this revision.

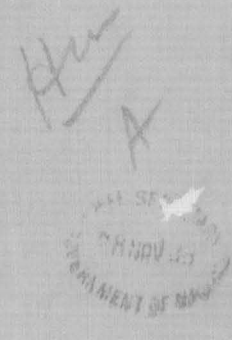

The rates are fair.

Note by E.W.

A plan and estimate of
Rs 1197 for addition to
the Sub-Registrars' office at
Beyrader, was prepared by
the Registrar Department,
and handed to the S.W.
with the approval of the
Judicial Dept. on 6th June 1888.
The papers were sent to the
S.E. II circle for the submission
of a revised plan & estimate,
that officer has, however,
proposed amendments to
Rs 1435 for the necessary
extension to the building,
and the Chief Engineer has
been asked to review them and
