are in excess of the rates
for the Kurnool Division.

If the schedule rates

be a saving of Rs 290

not seem advisable
to question these
rates as, from the
map, Murkapur
appears to be situated
at the further extremity
of the Harwar Dist
and apparently in
a very rich & fertile
country. Under
the circumstances the
rates seem to be acceptable
as fair.

The building is to be
constructed with stone
in masonry and terraced
except the verandahs
which are to be Bangal
style.

8825
The flooring of the
