General.  
Account.

READ—the following paper :—

From J. W. MARTIN, Esq., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 27th October 1888, No. 487-E.W.

With reference to your memorandum No. 4033 C., dated 22nd instant, I have the honor to submit herewith statements of savings and demands under "Imperial," "Provincial" and "Excluded Local."

ORDER—dated 15th November 1888, No. 3617 W., Public Works.

The following sums surrendered by the Superintending Engineer, IV Circle, are resumed and credited to the reserve with the Government under Provincial :—

|                                                                                                                                                                                                       | RS.   |

| (6) Miscellaneous Public Improvements, Repairs, Nilgiri division.                                                                                                                                     | 1,000 |
| Total ... ..                                                                                                                                                                                          | 5,722 |

2. The following appropriations are made from the Provincial reserve :—

|                                                                                                             | RS.    |
|-------------------------------------------------------------------------------------------------------------|--------|
| (1) Connecting the jail buildings at Ootacamund now occupied by public offices with the water-supply ... .. | 460    |
| (2) Police hospital with outhouses at Mangalore ... ..                                                      | 3,000  |
| (3) Improvements to the second and third blocks of the Collector's office at Mangalore ... ..               | 2,000  |
| (4) Sea Custom house at Cochin ... ..                                                                       | 5,000  |
| (5) Fencing and improving the margin of the Ootacamund lake ... ..                                          | 10,105 |
| Total ... ..                                                                                                | 20,565 |

3. Funds required for the following works have been provided in separate proceedings :—

- (1) Improvements to the District Munsif's Court at Kásaragód.
- (2) Do. to the Hobart Park at Ootacamund.

4. No special urgency has been shown for provision of funds for the following works in preference to other demands against the Provincial reserve:—

- (1) Improving the outhouses of the Cinchona Villa.
- (2) Gravelling the roadway to and around the Roman Catholic Church, Wellington.
- (3) Improvements to peons' quarters on Mountstuart, Ootacamund.

5. Funds are not at present available to supplement the current year's grants for the following works. The demands will, however, be kept in view and the necessary provision made if additional funds become available later in the year:—

- (1) Providing accommodation for the Court of the Subordinate Judge at Ootacamund.
- (2) Deputy Collector's office at Puttūr.
- (3) Constructing 12 cells in the District Jail at Calicut.
- (4) Maintenance of the road from Calicut to Vayitri.
- (5) Improving the water-supply of that portion of Ootacamund lying north of the lake.

6. The circumstances in which outlay, without allotment of funds, was incurred on the Sub-Registrar's office at Tāmraçhéri in contravention of para. 1377 of the Public Works Code should be explained.

7. The Government regret that funds are not available under Imperial Military for allotment to the several works brought forward by the Superintending Engineer under that head. The outlay should therefore be restricted to the sanctioned grants.

8. Funds are not available with the Government to supplement the current year's grant to the Coimbatore division under Postal repairs.

9. As the grant for Telegraph minor works is at the disposal of the Director-General of Telegraphs, the Superintending Engineer should apply to that officer for funds required for constructing a latrine to the Telegraph office at Ootacamund.

10. The question of providing funds for the following works will be considered in the Financial Department:—

|                                                             |     |     |            |
|-------------------------------------------------------------|-----|-----|------------|
| (1) Improvements to the lighthouse at Calicut               | ... | ... | RS.<br>813 |
| (2) Raising the revetment of the Cruz Milagre dam at Cochin | ... | ... | 330        |
|                                                             |     |     | 1,143      |
| Percentage charges for Establishment and Tools and Plant    | ... | ... | 280        |
| Total                                                       | ..  | ..  | 1,423      |
