With order

Letter from J. F. Somers Esq Assistant
Engineer to the Executive Engineer
to the Periyar Division. Periyar Project
dated Camp Mattaparas 15. Nov.
1888

I have the honor to state that a
year ago I had to take sick leave
suddenly and was unprepared to
meet the expenses.

Prior to my return to India I
applied to the India Office for an
advance from my deposit in the D. M.
Provident Fund. They declined to
make an advance on the grounds
that the sanction of the local Govt
was necessary.

I accordingly had to borrow £40
to pay for my return passage.

I now have the honor to request
you will obtain sanction from the
Madras Government for an advance
of

of Rs 600 from my deposit in the
Provident Fund to repay this
the state of the funds at my
disposal under this advance
necessary.

The Government sanctioned an
advance of Rs 650 on my departure
for England in September 1887.

Forwarded to the Superintending
Engineer for the favor of Mr Somers
request. that officer having explained
the circumstances to me.
