OFFICE NOTE No. 2697

To

W.

With reference to G.O. No.

3614 W. dated 14th. November 1888,
I beg to state that with the special sanction of Government, I can pass to Mr. Lincoln clerk either the amount (Rs. 15 per mensem) proposed by the Accountant General Madras or any larger sum up to the limit of Rs. 30 which he would draw if on duty at Ootacamund, or even up to the limit of Rs. 53 per mensem which would be admissible under Appendix B Part II of the Civil Travelling Allowance Code; but the arrangement should apparently be sanctioned by Government in the Financial Department, as it involves a departure from the rules sanctioned in that department.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper.

Memorandum from the Public Works Department, dated 8th September 1888, N^o 636 D.

And letter from the Accountant General, dated 23rd October 1888, N^o 3242.

With reference to your endorsement N^o 1050, dated the 14th September 1888 referring for my opinion Memorandum from Public Works Department N^o 636 D dated 8th idem regarding the claim to Ootacamund allowance during absence on tour with the Chief Engineer by his clerk Mr. D. H. Lincoln, I have the honor to state that in my opinion Mr. Lincoln is entitled to moiety of 5/10 salary during the periods of his absence on tour unless the Examiner, Public Works Accounts, has disallowed the claim under a ruling of the Government of India of which I am not aware.

2/ The grant of 5/10 salary was given in lieu of the several allowances drawn by members of the Secretariat Establishment, but no change was made in the rules which regulate the conditions under which the amounts may be drawn.

3/ In the Civil Department, Mr. Lincoln would be allowed without hesitation a moiety of 5/10 salary under the Government of India's ruling in the case of Mr. Bernard (N^o 1977 Finance and Commerce dated 8th December 1884) and this moiety

At 4/12
24/12

would also be given under similar circumstances for the entire period of absence, the provisions of Section 14, Civil Leave Code, being held not to be applicable to the case.

Order:- 8 November 1888, No 825

The Accountant General's letter will be communicated to the P.W. Department.

2. The ruling of the Government of India in Mr. Bernard's case, to which reference is made, was recorded in G.O. No 2919, Financial, dated 15th December 1884.

3. It is considered in this Department that a moiety of (Portacarium) salary should be passed to Mr. Lincoln.

Memo.

The Sar P. W. D. Acet
 having disallowed the
 recommended allowance
 of Mr. D. H. Lincoln, a
 clerk of this office, for
 the periods noted in
 the margin, during
 which he was on tour
 with the Chief Sar,
 and drew travelling
 allowance separately,
 the undersigned has
 the honor to submit
 the case for considera-
 tion in the financial
 dept. with reference
 to this office No 3654e
 of 19th Oct. 1886, &c.
 of 27th Oct. 1886, No
 1105 Mis. Financial.

Under

2. Under former rules,
Ootacamund allowances
were granted under the
head of Special maintenance
allowance, family main-
tenance & house rent;
and a clerk on tour
with the Chief Supt.,
was allowed to draw
for the period of his
absence from Ootacamund,
half his special main-
tenance allowance if
he were a married
man and ^{had} left his
family at Ootacamund.
Under present rules,
Ootacamund allowance
is a single sum, &
the Supt. disallows the
whole of this for periods
of absence on tour, under
a ruling applicable
to a different scale
of allowances.

3. Under a recent
reading of the Act by
P.W. Dept. moreover,
Ootacamund allowance
is no longer included
in travelling allowance
bills, but is closed
as salary, & drawn in
the office salary bill.
It would appear
therefore that Ootacamund
allowance should now
fall under Sec 14 of
the Civil Service Code,
and ^{would} be admissible
for periods of absence
on duty not exceeding
a month.
