I have a strong recollection that when Mr P. Pereira came here in May last to ask for passage tickets, he was told that he was entitled to passage for himself only, & that if his family were included in the requisition, he would have to refund the cost of their passage afterwards - men asking for passage tickets for their families, when proceeding on first appl., are always told this, but they gladly acquiesce in the arrangement because it saves them the trouble of engaging passages themselves -

Unfortunately in Mr Pereira's case, we have no record of the matter in writing. In any case

as a special case in the above quoted G.O. ...

9/29/10

Mr. Pereira request that Govt. may exempt him from the refund as a special case is inadmissible under the rules, & all that can be done for him perhaps is to order that the amount shall be recovered in small instalments.

Yes.

It will be best perhaps in future to apply for passage tickets only for those entitled to free passage & if a subordinate on first appt., wishes to take his family with him, he will be told to make his own arrangements for their passage. It is only on transfer that a subordinate is entitled to free passage by sea for his family - vide Sec. 52 C. J. Code - 2nd order.

Sir,

With reference to your endorsement No. 1670 dated 16th August/88 on Examone's letter No. 42738 dated 2nd August/88 directing me to remit the sum of Rs. 132 - being the proportionate charge for the passage provided for my family from Madras to Gopalpur, I beg to state that when I was furnished with a passage ticket from Madras to Gopalpur & double the 2nd class railway fare from Coimbatore to Madras under G.O. No. 1461 Wd/17th May 1888 I was not aware of the fact that I should have to pay back the passage money for my family & children. Had I known this, I should have come alone here, leaving my family & children at Madras, or arranged for a deck passage for them. As the sum of Rs. 132. which I am required to pay is very heavy to meet with my small salary with which I have to maintain my large family, & as the Government have been already pleased to authorize the grant of passage as a special case in the above quoted G.O. I beg to request

that you will be so good as to ~~move~~ the Suptg: Engineers again to obtain the sanction of Government to pass this as a special case.

For which act of kindness I shall feel thankful.

I beg to remain

Sir

Your most obedient servant
