GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From Colonel T. K. GUTHRIE, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 10th November 1888, No. 5807.

I have the honor to forward, for sanction, Public Works Department plan and estimates for Rs. 6,233 for the construction of a new building for the Police hospital at Anantapur on the site of the existing one. The design is the same as that of the Police hospital at Chittoor, North Arcot district.

2. The existing building which appears to have been erected in 1865 is reported by the Superintendent of Police to be in a very dilapidated condition and to have been repeatedly condemned. I have therefore the honor to request that early appropriation may be made.

Approved and transferred to the Public Works Department.

(Signed) J. F. PRICE,
22nd November 1888. Ag. Chief Secretary.

Note by the Chief Engineer, Public Works Department.

The estimate of Rs. 6,233 for constructing a Police hospital at Anantapur has been reduced to Rs. 6,075 by substituting 8 king post trusses for the teak couples provided in the original estimate.

2. The clear span of the roof being 16 feet, trusses are preferable to couples.

(Signed) H. R. MEAD, Colonel, R.E.,
7th December 1888. Ag. Chief Engineer, P.W.D.

Order—dated 10th December 1888, No. 3880 W., Public Works.

The estimate, amounting to Rs. 6,075, as reduced by the Chief Engineer, Public Works Department, for constructing a Police hospital at Anantapur, is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial No. 121 W. of 1888-89, and classified as Civil Buildings, Original Works.

the acquisition of the
Lights of Police and that
the design is similar
to the hospital at
Chittoor with 2
Common
14 patients
Large room and
6 patients in the
Small room.
The prefabricated
Construction are
to be

3800/7

to be constructed with
stone in mortar plastered
inside and painted
outside.

The flooring is to be
of pyramid slate laid
on 3" of concrete.

The roof is to be
hipped and will
be constructed with
teak couples, double
collar purlins, rafters,
and covered with
plain tiles and
Chunam fanlights.

The doors and windows
are to be of teak half
panelled & half venitian

The woodwork throughout
is to be well oiled.

The area of the building
is 343 Sq. feet the cost
Rs 8 Rs. or Rs 1/13/11 per Sq. ft.

A lightning conductor
is to be provided by
Govt. The amount of this
Est: will be reduced
from Rs 6233 to Rs 6075
as by Rs 158.

A tender for carrying

to be submitted for the
building as this plan
is to be.

An Est. for a tunnel for
shoeing debris is
put up, which if
approved will be
substituted for this
complete one provided
in this Est:
