GOVERNMENT OF MADRAS.

ECCLESIASTICAL DEPARTMENT.

READ—the following papers :—

From the Rev. W. W. ELWES, M.A., Acting Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 1st October 1888, No. 152.

I have the honor to state, with reference to G.O., dated 13th August 1888, No. 117, Ecclesiastical, paragraph 3, that there seems to me no sufficient reason why the proposed reduction of pay to malichowkidars should not take place at the following cemeteries :—

(1) Palmanér.
(2) Jaganaickpur.
(3) Masulipatam.
(4) Calicut.
(5) Remount Depôt.
(6) Hassan.

2. With reference to the Coonoor Cemetery, the chaplain urges strongly the impossibility of finding any one to take charge of the cemetery at Rs. 5 per month, but as the malichowkidars at the other cemeteries on the hills draw only that sum from Government, I do not see any sufficient reason for continuing the present rate of pay at Coonoor.

3. I have the honor to ask that the Government will be pleased not to enforce a reduction of pay to the malichowkidars in charge of the following named cemeteries :—

Vayitri—Manantoddy.—The Lay Reader and Deputy Collector agree that it would be impossible to get a man to look after either of these cemeteries at 5 rupees per month. The climate is unhealthy, food is dear, and the rate of pay on the estates around is such that no man would undertake the work at the reduced rate of pay. There is no additional work which could be assigned to them.

Pálghat.—The chaplain in charge states that no respectable man can be obtained at a rate of pay less than that now allowed. I have the honor to point out also that the malichowkidar is in charge also of the church, and it seems reasonable that the sum which is usually allowed for a servant in charge of a church should be received by this man, who is in charge of both church and cemetery.

Pulicat.—The malichowkidar at this station has charge both of church and cemetery, and under these circumstances I submit, for the favorable consideration of Government, that he may be allowed to retain his present rate of pay.

4. I have the honor to ask that Government will be pleased to sanction the reductions taking place in all cases from October 1st, instead of from September 1st. The printed orders of Government, especially the longer ones, do not reach this office for some days, and the necessary correspondence involved could not be carried out, so as to arrange well for the reduction to take place on the 1st of September, especially as at the end of August and the beginning of September, there was considerable pressure of work, and there is no clerk allowed for this office.

From the Rev. W. W. ELWES, M.A., Acting Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 3rd October 1888, No. 153.

With reference to G.O., 13th August 1888, No. 117, Ecclesiastical, paragraph 4, I have the honor to state, after inquiries made, that there seems to be no sufficient

reason why one malichowkidar should not have charge of two cemeteries at the following places :—

Vizagapatam	{Old Dutch Cemetery. {The Lines do.
Bangalore	{Richmond Road Cemetery. {Tank Road Cemetery.
Cochin	{Old Cemetery. {New Cemetery.

2. At Cuddalore, where two men are in charge of one cemetery under two acres, there is no reason why the number should not be reduced to one.

3. With reference to Richmond Road and Tank Road Cemeteries, Bangalore, I am unable to make arrangements as to their united charge, as Tank Road Cemetery is under the charge of the Roman Catholics. I would respectfully suggest that if one malichowkidar is to be allowed for both cemeteries, the Government should decide under whose direction the malichowkidar is to be, and which of the malichowkidars is to be dismissed.

4. With reference to Masulipatam, St. Mary's and St. John's Cemeteries, by G.O., 13th August 1888, Ecclesiastical, and G.O., 8th July 1887, Ecclesiastical, the malichowkidar of St. John's Cemetery is transferred to the Guntúr Cemetery.

5. I have the honor to ask that the Government will be pleased to allow the establishment to stand as at present at Vellore Old and New Cemeteries. The size of the two cemeteries if united—eight acres—would entitle them, under the present rules, to a malichowkidar on Rs. 5 per month and a coolie on Rs. 4 per month. The cemeteries are 1½ miles from one another. The Old Cemetery contains many tombs of great historic interest and is well worthy of special attention and care, and the sale of grass brings in annually more than the cost of the malichowkidar. The New Cemetery requires a great deal of looking after, and the Collector and Sub-Collector of the district, with the Lay Trustee of Vellore, urge most strongly the necessity of retaining both malichowkidars if the cemeteries are to be properly cared for.

6. I have the honor to recommend, with reference to Salem Old and New Cemeteries, that a malichowkidar on Rs. 5 per month be permanently entertained and a coolie on Rs. 4 per month from 1st March to 30th September in each year. The Lay Trustee urges that there are a large number of crotons and other plants in the cemeteries, and that during the hot weather it is impossible for one man to water and take care of the two cemeteries at a mile apart.

7. Bellary Old and New Cemeteries are two miles distant from one another. Their united area is between 11 and 12 acres, so that, under the rules at present in force, the establishment should be as now three men, but I would suggest that the head coolie on 4 rupees at the Old Cemetery might be dismissed, and one man allowed for each of the cemeteries at Rs. 5 per month.

8. I have the honor to point out, with reference to Bangalore Oossor Road Cemetery, that the area is between six and seven acres, and that therefore the present establishment of one man at Rs. 5 and one at Rs. 4 per month is that allowed under the rules now in force. Moreover, the sum of Rs. 25 per month is spent by the people on the cemetery, and yet the chaplain says it is difficult to keep it in good order. I trust, therefore, the Government will be pleased to allow the establishment of this cemetery to remain as at present.

9. I am unable to deal now with the Shimoga Cemetery, as also with those in the Hyderabad territory, but will do so when sending in the report called for in para. 6, G.O., 13th August 1888, No. 117, Ecclesiastical.

10. I have the honor to ask that Government will be pleased, for the reasons mentioned in paragraph 4 of my letter, No. 152, accompanying this, to order that the reductions which may be decided on in connection with this letter take place from 1st October, and not from 1st September.

From the Rev. W. W. ELWES, M.A., Acting Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 13th October 1888, No. 163.

In continuation of my letter, No. 152, dated 1st October 1888, paragraph 1, I have the honor to state that, since writing that letter, it has been brought to my notice that the malichowkidar in charge of St. Mary's Church Cemetery, Masulipatam, is really in charge of St. Mary's Church as well as being in charge of the cemetery.

2. By G.O., 20th September 1881, No. 153, Ecclesiastical Department, the pay of this man was raised from Rs. 5 to Rs. 7 per month. I presume this was done owing to his having charge of both church and cemetery, although, as there is no copy in this office of the letter of the clergyman in charge of Masulipatam referred to in letter from the Archdeacon to Government, dated 10th September 1881, No. 269, I am unable to state this positively.

3. The present incumbent of St. Mary's, Masulipatam, asks that Government will be pleased to allow the present malichowkidar to retain his pay of Rs. 7 per month, on the ground of his double charge and because he will apply shortly for his pension.

4. With reference to my letter, No. 153, dated 3rd October 1888, and with regard to the two men said to have been attached to the cemetery, Cuddalore (Irusappa Street), I have ascertained that the returns made to this office were incorrect. The second man has not been employed at the Irusappa Street Cemetery, nor has he, as directed in G.O., 18th October 1880, No. 207, been employed in the Vanarpalaiyam Cemetery alone. He has spent his time partly at this last-named cemetery and partly at two of the closed cemeteries at Cuddalore.

5. It has been decided by G.O., 18th October 1880, No. 207, that one malichowkidar is sufficient for the cemeteries at Cuddalore. I have the honor to inquire whether, under these circumstances, a coolie on Rs. 4 should be retained for the Vanarpalaiyam Cemetery alone.

ORDER—dated 23rd November 1888, No. 158, Ecclesiastical.

The letters read above contain the Acting Archdeacon's reports on the cemetery establishments referred to in paragraphs 3 and 4 of G.O., 13th August 1888, No. 117, Ecclesiastical.

2. The Government will first deal with the cemeteries mentioned in paragraph 3 of the order :—

(*a*) The pay of the malichowkidars at Palmanér, Jaganaickpur, Masulipatam, Coonoor, Calicut, and the Remount Depôt, is reduced to Rs. 5 a month.

(*b*) In the circumstances stated by the Archdeacon, the malichowkidars at Pulicat, Manantoddy, Vayitri, and Pálghat, may continue to draw their present rates of salary.

(*c*) Orders will be passed regarding the Hassan and Hyderabad cemeteries on receipt of the report called for in paragraph 6, G.O., 13th August 1888.

3. Turning next to the cemeteries mentioned in paragraph 4 of the order :—

(*a*) The services of the second malichowkidar at Vizagapatam and Cochin, and at the Old Cemetery, Bellary, are dispensed with.

(*b*) The two malichowkidars now entertained at Vellore may be retained.

(*c*) The malichowkidar attached to St. Mary's Cemetery, Masulipatam, may, in the circumstances reported, continue to draw Rs. 7 a month. The transfer of the malichowkidar formerly attached to St. John's, Masulipatam, to Guntúr, which was sanctioned in G.O., 8th July 1887, No. 113, has been confirmed by G.O., 13th August 1888, No. 118.

(*d*) The Salem establishment is reduced to one permanent malichowkidar on Rs. 5, who may be provided, during 6 months in each year, with a temporary assistant on Rs. 4.

(*e*) The Irusappa Street Cemetery, Cuddalore, will be attended to, as the Archdeacon explains has hitherto been the case, by one malichowkidar on Rs. 5. A second malichowkidar on Rs. 4 may be entertained for the Vanarpalaiyam Cemetery. These two men will also do such care-taking work in connection with the closed cemeteries in the town as the chaplain may assign to them.

(*f*) Orders will be passed in the case of the Bangalore and Mysore cemeteries on receipt of the report called for in paragraph 6, G.O., 13th August 1888, No. 117.

4. The reductions ordered in paragraphs 2 (*a*), 3 (*a*), and 4 (*d*) above, will have effect from the 1st October last, as proposed by the Archdeacon.

The cemeteries are $1\frac{1}{2}$ miles from one another. The Old Cemetery contains many tombs of great historic interest and is well worthy of special attention and care, and the sale of grass brings in annually more than the cost of the malichowkidar. The New Cemetery requires a great deal of looking after, and the Collector and Sub-Collector of the district, with the Lay Trustee of Vellore, urge most strongly the necessity of retaining both malichowkidars if the cemeteries are to be properly cared for.

6. I have the honor to recommend, with reference to Salem Old and New Cemeteries, that a malichowkidar on Rs. 5 per month be permanently entertained and a coolie on Rs. 4 per month from 1st March to 30th September in each year. The Lay Trustee urges that there are a large number of crotons and other plants in the cemeteries, and that during the hot weather it is impossible for one man to water and take care of the two cemeteries at a mile apart.

7. Bellary Old and New Cemeteries are two miles distant from one another. Their united area is between 11 and 12 acres, so that, under the rules at present in force, the establishment should be as now three men, but I would suggest that the head coolie on 4 rupees at the Old Cemetery might be dismissed, and one man allowed for each of the cemeteries at Rs. 5 per month.

8. I have the honor to point out, with reference to Bangalore Oossor Road Cemetery, that the area is between six and seven acres, and that therefore the present establishment of one man at Rs. 5 and one at Rs. 4 per month is that allowed under the rules now in force. Moreover, the sum of Rs. 25 per month is spent by the people on the cemetery, and yet the chaplain says it is difficult to keep it in good order. I trust, therefore, the Government will be pleased to allow the establishment of this cemetery to remain as at present.

9. I am unable to deal now with the Shimoga Cemetery, as also with those in the Hyderabad territory, but will do so when sending in the report called for in para. 6, G.O., 13th August 1888, No. 117, Ecclesiastical.

10. I have the honor to ask that Government will be pleased, for the reasons mentioned in paragraph 4 of my letter, No. 152, accompanying this, to order that the reductions which may be decided on in connection with this letter take place from 1st October, and not from 1st September.

From the Rev. W. W. ELWES, M.A., Acting Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 13th October 1888, No. 163.

In continuation of my letter, No. 152, dated 1st October 1888, paragraph 1, I have the honor to state that, since writing that letter, it has been brought to my notice that the malichowkidar in charge of St. Mary's Church Cemetery, Masulipatam, is really in charge of St. Mary's Church as well as being in charge of the cemetery.

2. By G.O., 20th September 1881, No. 153, Ecclesiastical Department, the pay of this man was raised from Rs. 5 to Rs. 7 per month. I presume this was done owing to his having charge of both church and cemetery, although, as there is no copy in this office of the letter of the clergyman in charge of Masulipatam referred to in letter from the Archdeacon to Government, dated 10th September 1881, No. 269, I am unable to state this positively.

3. The present incumbent of St. Mary's, Masulipatam, asks that Government will be pleased to allow the present malichowkidar to retain his pay of Rs. 7 per month, on the ground of his double charge and because he will apply shortly for his pension.

4. With reference to my letter, No. 153, dated 3rd October 1888, and with regard to the two men said to have been attached to the cemetery, Cuddalore (Irusappa Street), I have ascertained that the returns made to this office were incorrect. The second man has not been employed at the Irusappa Street Cemetery, nor has he, as directed in G.O., 18th October 1880, No. 207, been employed in the Vanarpalaiyam Cemetery alone. He has spent his time partly at this last-named cemetery and partly at two of the closed cemeteries at Cuddalore.

5. It has been decided by G.O., 18th October 1880, No. 207, that one malichowkidar is sufficient for the cemeteries at Cuddalore. I have the honor to inquire whether, under these circumstances, a coolie on Rs. 4 should be retained for the Vanarpalaiyam Cemetery alone.

ORDER—dated 23rd November 1888, No. 158, Ecclesiastical.

The letters read above contain the Acting Archdeacon's reports on the cemetery establishments referred to in paragraphs 3 and 4 of G.O., 13th August 1888, No. 117, Ecclesiastical.

2. The Government will first deal with the cemeteries mentioned in paragraph 3 of the order :—

(*a*) The pay of the malichowkidars at Palmanér, Jaganaickpur, Masulipatam, Coonoor, Calicut, and the Remount Depôt, is reduced to Rs. 5 a month.

(*b*) In the circumstances stated by the Archdeacon, the malichowkidars at Pulicat, Manantoddy, Vayitri, and Pálghat, may continue to draw their present rates of salary.

(*c*) Orders will be passed regarding the Hassan and Hyderabad cemeteries on receipt of the report called for in paragraph 6, G.O., 13th August 1888.

3. Turning next to the cemeteries mentioned in paragraph 4 of the order :—

(*a*) The services of the second malichowkidar at Vizagapatam and Cochin, and at the Old Cemetery, Bellary, are dispensed with.

(*b*) The two malichowkidars now entertained at Vellore may be retained.

(*c*) The malichowkidar attached to St. Mary's Cemetery, Masulipatam, may, in the circumstances reported, continue to draw Rs. 7 a month. The transfer of the malichowkidar formerly attached to St. John's, Masulipatam, to Guntúr, which was sanctioned in G.O., 8th July 1887, No. 113, has been confirmed by G.O., 13th August 1888, No. 118.

(*d*) The Salem establishment is reduced to one permanent malichowkidar on Rs. 5, who may be provided, during 6 months in each year, with a temporary assistant on Rs. 4.

(*e*) The Irusappa Street Cemetery, Cuddalore, will be attended to, as the Archdeacon explains has hitherto been the case, by one malichowkidar on Rs. 5. A second malichowkidar on Rs. 4 may be entertained for the Vanarpalaiyam Cemetery. These two men will also do such care-taking work in connection with the closed cemeteries in the town as the chaplain may assign to them.

(*f*) Orders will be passed in the case of the Bangalore and Mysore cemeteries on receipt of the report called for in paragraph 6, G.O., 13th August 1888, No. 117.

4. The reductions ordered in paragraphs 2 (*a*), 3 (*a*), and 4 (*d*) above, will have effect from the 1st October last, as proposed by the Archdeacon.

Enclosure.

From the Venerable the Archdeacon of Madras, to the Accountant-General, dated Madras, 1st May 1888, No. 25.

I have the honor to forward to Government, through your office, a revised statement of cemeteries brought up to date, as called for in G.O., dated 8th July 1887, No. 115, Ecclesiastical.

2. I have to apologise for the long delay, which is due partly to my having at first misunderstood the nature of the order, and partly from the difficulty in getting returns, that from Ganjam having only just been received.

3. No return has been received from Travancore; hence the old list has been recopied.

4. The return for Madras is incomplete, and I have requested the lacking information may be supplied.

5. Cemetery establishments have been entered from the list supplied by your office, which does not always agree with the Collectors' statements.

6. I consider the whole needs careful revising, but I am anxious to submit the return before my departure on leave.

Order—dated 13th August 1888, No. 117, Ecclesiastical.

The consolidated list of cemeteries submitted by the Venerable the Archdeacon, with the letter read above, requires further revision in certain respects:—

(i) Several cemeteries have been omitted, as will be observed by comparison with the annual reports submitted from each district.

(ii) Isolated tombs need not be included in this return, though they should continue to be shown in the district reports.

(iii) The spelling of some of the names requires revision.

(iv) Column 5 in some cases contains merely the name of the particular clergyman or other individual who happened to be in charge at the time the return was drawn up. In order to make the return valuable for future reference, the ecclesiastical or other official designations of such persons should be substituted or added.

(v) In some cases, the information given is not complete, *e.g.*, columns 2, 4 and 5 for Madras town.

2. The list will now be circulated to all Collectors of districts and to the President, Madras Municipal Commission, who will be requested, after checking and revising the entries relating to their respective charges with reference to the above remarks, to return it to the Venerable the Archdeacon at a very early date.

3. It is observed that at the following stations, salaries of over Rs. 5 per mensem are paid to malichowkidars in charge of cemeteries with an area of less than 3 acres:—

District.	Cemeteries.	Salary.	Area.
		Rs.	
North Arcot	Palmanér	6	Under 2 acres.
Chingleput	Pulicat	7	,, 1 ,,
Godávari	Jaganaikpur	7	,, 3 ,,
Kistna	Masulipatam	7	,, 3 ,,
Nilgiris	Coonoor	8	,, 2 ,,
Malabar	Manantoddy	7	,, 1 ,,
	Vayitri	7	,, 1 ,,

	Pálghat	7	,, 1 ,,
Salem	Remount Depôt	7	,, 1 ,,
Mysore	Hassan	7	,, 1 ,,
Hyderabad	Almost all	6	,, 4 ,,
		6 and over.	

In most of these cases, the salaries can, and should, at once be reduced to the minimum of Rs. 5 fixed in G.Os., dated 10th April 1877, No. 79, and 31st July 1880, No. 146. Where it may be necessary, owing to special circumstances, such as the unhealthiness or expensiveness of the locality, to retain the present rate of pay, the Venerable the Archdeacon will report whether the charge of the cemetery might not be combined with some other duty.

4. As a rule, where there are two cemeteries in the same station, one malichowkidar can easily attend to both. This remark applies more especially to the stations and cemeteries noted below, and the Archdeacon is requested to report why the services of the second malichowkidar should not, in each of these cases, be dispensed with. An old enclosure such as that in the Masulipatam Fort cannot require more than an occasional visit and a few hours' attention once a week or so.

Districts.	Cemeteries.	Area.	Establishments.
North Arcot	Vellore, old	Under 4 acres	1 man on Rs. 5
	Vellore, new	,, 4 ,,	1 ,, ,, 5

Bangalore			

The distances between the several cemeteries at one and the same station should be given, approximately at least, in the remark column of the revised return.

5. Where cemetery establishments are entertained at the expense of private individuals, as is understood to be the case at such stations as Madanapalle, Kadiri, Rayachóti, Guntúr, &c., an entry to this effect should be made in the remark column of the statement.

6. The Venerable the Archdeacon will report under whose control the various cemeteries in Mysore, Hyderabad and Travancore are at present, and from what source the salaries of the establishments and other charges connected with such cemeteries are paid.

7. It is presumed that, where the area of a cemetery is entered as "under 5 acres," the extent is to be understood as being between 4 and 5 acres. Where this is not the case, the approximate area should be ascertained and entered in the return.

8. Where special conditions have been laid down by Government as regards the repair of a cemetery, the ownership of the ground, &c., as recently in the case of the American Mission cemetery at Ongole (G.O., dated 23rd April 1888, No. 51), a note to this effect should be added in the remark column, quoting in each case the order referred to.

9. The Venerable the Archdeacon is requested to submit revised proofs of the list as soon as possible.

10. The reductions referred to in paragraphs 3 and 4 should, unless good cause can be shown to the contrary, be brought into effect from 1st September 1888.
