GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General
Account.

READ—the following paper:—

Office note from the Examiner, Public Works Accounts, dated Madras, 7th December 1888, No. 2711.

In forwarding herewith a letter No. 118, dated 19th October 1888, addressed to me by the Executive Engineer, Godavari Eastern division, and forwarded through the Superintending Engineer, I Circle, suggesting that the register prescribed in Code para. 1322, clause V, showing the progress of expenditure against grants for minor works, repairs and tools and plant might be discontinued, I beg to state that, provided a record is maintained in the Divisional office of the grant for minor works, I think the register can be dispensed with.

2. A register of budget grants and modifications in grant form No. M 75, is at present maintained in Divisional offices, and, with very slight modification, it can be made to exhibit the grant for minor works distinctly; thus, by cutting out a portion of every alternate leaf, as in the sample form herewith put up, at the line which separates column 13 from column 14, the grants for major works can be shown in columns 6 to 12 on the first opening, and the grants for minor works in the corresponding columns in the second side of the opening. This arrangement would be necessary only until the present stock of forms is used up and a new supply is printed.

3. A comparison of the progress of expenditure against grants for both major and minor works is given in the abstract on the fourth page of form No. M 46, herewith put up, and so far, therefore, the register prescribed in Code para. 1322 (V) is unnecessary.

4. If you approve of these suggestions as tending to save work in Divisional offices, please obtain the sanction of the Government to the necessary modification of the Code rule.

ENCLOSURE

From J. E. PAUL, Esq., Executive Engineer, Godavari Eastern Division, to the Examiner of Public Works Accounts (through Superintending Engineer, I Circle), dated 19th October 1888, No. 118.

In connection with proposals for simplifying the accounts work in Divisional offices, I have the honor to suggest that the maintenance of a separate register for the grants for minor works and repairs, referred to in para. 1322, clause V, may be authorised to be discontinued, as the information regarding the progress of expenditure is obtainable from the details and abstract shown in the schedules of expenditure, forms Nos. M 46 and M 47.

No. 2024 G.D.

Forwarded.

(Signed) R. DRAKE-BROCKMAN, Lieut.-Col., R.E.,
Superintending Engineer, I Circle.
