READ—the following paper :—

From R. B. BUCKLEY, Esq., Under-Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 3rd December 1888, No. 615 B.

I am directed to acknowledge the receipt of your letter No. 3391 W., dated the 23rd October 1888, forwarding an abstract estimate which has been sanctioned by the Government of Madras for providing furniture for the Protestant Military church at Malapuram, and inquiring whether the items "carriage" and "contingencies" can be allowed in addition to the sums fixed in rule XVIII, section IV of the revised Ecclesiastical rules.

2. In reply, I am to say that "contingencies" follow as a possibility in every estimate. The matter of "carriage" charges is left to the Local Government. Such charges, however, should only be admitted in exceptional cases such as the present.

3. The abstract estimate is returned.

ORDER—dated 15th December 1888, No. 3924 W., Public Works.

Communicated to the Examiner, Public Works Accounts, with reference to G.O., No. 3390 W., dated 23rd October 1888.

READ—the following papers:—

From Lieutenant-Colonel R. R. E. DRAKE-BROCKMAN, R.E., Superintending Engineer, IV Circle, to the Venerable the Archdeacon of Madras, dated Coimbatore, 10th August 1888, No. 297-M.

With reference to your letter No. 45 of 18th June last to Government in the Ecclesiastical Department, I have the honor to forward, for transmission to Government for early sanction and provision of funds, a revised estimate, amounting to Rs. 1,058, for supplying furniture to the Malapuram Church, together with a report.

2. An estimate of Rs. 600 for the furniture was sanctioned in G.O., No. 2051 W., of 16th August 1886. It was not only very much under-estimated for 100 seats of soldiers and 17 seats of officers, but also the first revised estimate, sent with this office letter No. 203 of 9th June 1888, was not framed in terms of the scale for church furniture—Revised Church rule XVIII; hence it did not allow of a ready comparison of the items with the standard rates.

3. The estimate under reference has now been drawn up in accordance with the Code rules, and it will be clear from the accompanying report that nothing of an unduly expensive nature has been included in the estimate.

G.O., dated 3rd September 1888, No. 83 R., Ecclesiastical.

From the Venerable the Archdeacon of Madras, dated 15th August 1888, No. 96.

ABSTRACT.—Submitting a second revised estimate for new furniture for the church at Malapuram.

Order—dated 3rd September 1888, No. 83 R., Ecclesiastical.

Approved and transferred to the Public Works Department with the remark that the very large difference between the charges for soldiers' seats in the original estimate of 1886 and that now submitted appears to call for some further explanation from the Executive Engineer.

(True Extract.)

(Signed) J. F. PRICE,
Acting Chief Secretary.

Note by the Chief Engineer, Public Works Department.

The revised estimate, amounting to Rs. 1,058, for supplying furniture to the church at Malapuram is submitted to Government for sanction with the following remarks.

2. The estimate of Rs. 600 sanctioned in G.O., No. 2051 W., dated 16th August 1886, was not framed in accordance with the provisions of rule XVIII, section IV, appendix D, Public Works Code. The comparative statement now submitted by the

Executive Engineer, West Coast division, is misleading, different units having been adopted for soldiers' seats in the original and revised estimates.

3. The estimate of Rs. 1,058 has been framed in accordance with the rules referred to above, but no provision has been made for hassocks in the soldiers' seats, and the amount allowed for lighting is less than the regulations permit. It is not, however, considered necessary to increase the amount of the estimate.

— September 1888. (Signed) J. O. HASTED, Colonel, R.E.,
Chief Engineer, P.W.D.

ORDER—dated 22nd September 1888, No. 2976 W., Public Works.

The revised estimate, amounting to Rs. 1,058, for supplying furniture to the church at Malapuram is sanctioned in lieu of the estimate of Rs. 600 sanctioned in G.O., No. 2051 W., dated 16th August 1886.

2. As funds are not at present available with the Government, the Superintending Engineer will, if feasible, propose a transfer from the grants to other works in the circle.

3. Attention is drawn to the note by the Chief Engineer recorded above.

4. This sanction has been registered as Provincial No. 88 W. of 1888-89 and classified as Civil Buildings, Original Works.

To W.

In the abstract of estimate, received with G.O. No. 2876 W. dated 22nd. September 1888, for church furniture for Malapuram Church, with two exceptions namely "pulpit" and "lamps" (i.e. lighting apparatus), the costs of the several items provided for are the maximum costs allowed by the Appendix F, section 17, rule XVIII, and an additional provision is made in the estimate for carriage and contingencies.

2. I think the item for contingencies is certainly inadmissible, but I am doubtful about the item for carriage, and it is not clear whether the prices given in Appendix D are or are not intended to include carriage. I therefore solicit orders of Government, and as any ruling now given will form a precedent, I think it will be best to obtain the orders of the Government of India.

3. The abstract estimate in question is herewith returned for reference.

In forwarding abstract of an estimate amounting to Rs 1058/- which this Government have sanctioned for providing furniture for the Protestant Military Church at Malapuram, I am directed to inquire whether the items "carriage and contingencies" can be allowed in addition to the sum allowed in Rule 8 VIII Part IV of the revised Ecclesiastical Rules.

2. In the present case it will be observed that a considerable saving in the estimate has been effected by the non-provision of stools or hassocks for soldiers' seats

seats, and by the reduced cost
of pulpit and lamps; but
in perspective of this, information
is requested whether the rates
allowed in the rules should be
inclusive of such items as

Carriage & petty contingencies.
It is impossible to have furniture made up at Malapuram.
I am to add that this
question is asked because the
Examiner, P.W. Accts. is doubtful
whether the item in question
can be allowed.
