Sir,

As I am now, a temproary clerk in the office of the Pay Examiner Madras, and as I wish to obtain a permanent post in that office I will thank you for a certificate that I was thrown out of employ by the reduction of the office in March 1881. Mr A. J. Pringle was the Chief Assistant of the office when those reductions were effected and he could bear witness to the fact that I with some other clerks and peons were retired then. One of the clerks M. Vyapoory Mudr who was retired with me is now employed in the P. W. Stores.

Most Honoured Sir.

With profound respect and Submission I beg leave to submit this humble address with the fervent hope that your Honor will be pleased graciously, to pardon the intrusion on your precious moments and grant my earnest prayer.

2. I beg leave to represent that I was employed in the Public Works Secretariat for the space of 22½ years, serving diligently and faithfully in the Department and earning the approbation of my Superiors under whom it has been my good fortune to serve, and obtaining Testimonials which I beg leave to enclose for your Honor's kind perusal.

3. Under the recent Ruling of the Government of India some reductions were effected in the Public Works' Secretariat

Decd

Remember the man perfectly well

and I was granted a small pittance of one-third of my Salary viz Rupees 35 before completing my full service to entitle me to a moiety of my Substantive pay as Pension which is barely sufficient for me and my large family.

4. My habits are purely industrious, and I am active and very anxious to earn something more to keep us from pressing want, if your Honor would but deign help me to this end and please ascertain Mr. Upsion, the then Superintendent of the Record Department about my qualifications &c.

Those who thrown out along with me are all re-employed in the Public Offices under the spirit of Section 66 to 68 chapter XX of the Civil Pension Code and Government Order No. 947 Dated 21st September 1880 Pension Department.

I am now re-employed in the Pay Examiners' Office temporarily on a Salary of Rupees 20. And I most humbly solicit your Honor that pleased to consider my past services and obtain me an order of Government of my re-employ permanently in Public Offices for few years to complete my full service for my half pension.

The applicant's similar request was ~~[illegible]~~ refused in G.O. 3408. W. of 25.10.88 – but if the man was really thrown out of employment on account of a reduction of an Establishment there seems to be no reason why he sh^d. not be given a memo:– to that effect. He asks for no certificate of character – testi–monial &c^a. He may have been chosen for reduction on acct: of his hand–writing but if another officer is willing to employ him permanently if he gets the certificate asked for it w^d. be hard on him to deny it.

Office Note No. 259

(2)

To
W.

The names of all the Upper Subordinates who were specially retired with reference to the recent reduction orders will be found on pages 67 to 69 of the Madras P.W.D. Classified List and Distribution Return corrected to 1st April 1880, copies of which have been furnished to you, and it is believed that Lists submitted by Superintending Engineers in which are given the names of clerks &c. whose services were dispensed with on account of the general reduction of Establishments, already exist in your Office.

Doubtless a number of these Subordinates and Clerks have been employed by the Local Fund Boards, but as the Pay Bills of these Boards are not audited by the P.W. Department, this Office is not in a position to say whose

whose services are still available for re-appointment.

P. W. DEPARTMENT.

C. A. W.

As we may ere long have to reappoint both Upper-Subordinates & Clerks in connection with late sanction to our normal scale, it would be as well to have carefully-proposed lists found in the office of all whose services were dispensed with and who are still available for re-appointment.

A separate list should thus be proposed for each class.
