To

THE SUPERINTENDING ENGINEER,

FOURTH CIRCLE,

COIMBATORE.

SIR,

Adverting to G. O. No. 2139^W
dated 14th July 1888. Sanctioning the
marginally noted two^x works and
feeling that they should be carried
out only when funds can be made
available, I have the honor to inform
you that I suggested, sometime ago,
to the Principal and Secretary
Lawrence Seglam, Ootacamund
regarding No. 2 work (Constructing
an open drain Estimate Rs 500), that
if the Committee considered the work
as

- (1) Constructing a Latrine for the boys - Rs 3000
(2) Constructing an open drain - Rs 500

As urgent, funds to the extent
of its Estimate provision might
be placed at my disposal. The
principal, accordingly, submitted me
Rs 500 on the 22nd Nov 78 and the
work is now under execution.

2. Considering that under G.O.
No 1465 W. dated 30th May 1887 no
charge has been ordered to be
made on account of Establishment
and Tools and Plant for "Constructing
a hospital for the Male Branch
of the Asylum," I have the honor
to request that you will be good
enough to obtain the requisite
Sanction to extend the indulgence
to the work in question.

I have the honor to be
Sir,
your most obt. Servant
(By order)
M. Sagar and P. N. Sagar
for Executive Engineer Nilgiri Div.

No. 587

Submitted to the Chief Engineer
I.W.D. for favorable consideration

2. The Executive Engineer should
have applied for this sanction under
rule II para 1342 of the S.W. Code, before
putting the work in hand.
