In reply to your letter, No. 777 W., dated 12th March 1887, I am directed to state that the decision of the Government of India conveyed in the letter from the Public Works Department No. 235 A.G., dated 2nd September 1886, refers only to Imperial Civil Buildings, and does not affect the orders delegating to the Government of Madras the power to sanction the demolition or sale of surplus military buildings.

READ—the following letter from Lieutenant-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Madras, 15th August 1887, No. 926 T.J. :—

I have the honor to report that on the 18th April last, the Executive Engineer, Tanjore division, forwarded to me, for orders, a letter addressed to him by the Manager, Lutheran Mission Central School at Tranquebar, asking to give him the old court-house building at that station for the use of a school on condition of undertaking all current necessary repairs that do not exceed Rs. 100.

2. On the 27th idem, I requested the officers named in the margin to state whether

1. Superintendent of Police, Tanjore.
2. District Judge of Tanjore.
3. Civil Surgeon, Tranquebar.
4. District Forest-officer, Tanjore.
5. President, District Board, Tanjore.
6. Deputy Commissioner, Salt and Abkari Revenue, Southern Division.
7. Collector of Tanjore.

the above building which has not been used by Government for a number of years is likely to be required by them. They have replied that the building is not required.

3. In his letter under date the 13th June 1887, the Superintendent of Post offices, Cuddalore division, has inquired if the building could be made over to his department for the accommodation of the local post office and the establishment attached to it. He states that "the building at present occupied by the post office affords no accommodation whatever for the sub-postmaster who is supposed to live in the premises, and he is therefore compelled to occupy a rented house in the bazaar. An arrangement which is inconvenient to himself as well as the public, and is besides for official reasons objectionable."

4. Under these circumstances I recommend that the building may be handed over to the Postal department, and request that you will be good enough to obtain the necessary orders on the subject.

ORDER—dated 29th August 1887, No. 2317 W., Public Works.

Sanctioned, as recommended in paragraph 4, on the understanding that if the building is again required by the Provincial Government for any purpose, the Postal department shall give it up.
