KEEP-WITH Genl. No.

dated 188 .

With reference to P. W. D. Code para 1032, I beg to forward herewith for safe custody in the Government Office, Fort Saint George, Madras, the three conveyance deeds executed by the owners of lands taken up for the diversion of the Buckingham Canal in Koradu Village, Kundakur Taluq, Nellore District, received from the Executive Engineer of the Buckingham Canal Division, the receipt of which please acknowledge.

2. I beg to point out that the lands in question have in each case been conveyed to the "Executive Engineer" instead of to the "Secretary of State in Council", which seems to be irregular, vide Government Solicitor's letter forwarded with my office note No. 1562 of 30th. May 1888.

From,

To,

The Secretary to Government
Public Works Department
Madras

Sir,

1. With reference to your docket dated 18th ultimo No. 2276 C made on a letter from the Examiner of Public Works Accounts, dated 13th idem No. 1662, I have to advise that from the memos of the purport of the three conveyances which accompanied your docket, there is an obvious error in those conveyances in that the land comprised therein is thereby conveyed to the Executive Engineer instead of to "the Secretary of State for India in Council his successors and assigns." The Examiner is also correct in saying that the conveyances did not require to be stamped.

2. Without translations of the conveyances I cannot say whether they are otherwise in order; but, if you will furnish me with translations, I will consider the documents further and if I find them in order, I would suggest that the Executive Engineer convey the property therein to the Secretary of State

3. I return the papers sent me and,

I have the honor to be

Ootacamund

Sir,

1. With reference to your Memorandum of the 8th instant No. 485 D, I beg to inform you that I have perused the translations of the three vernacular documents forwarded therewith and which purport to be deeds of sale of land in the Nellore District to the Executive Engineer of the Buckingham Canal in the Nellore District on behalf of Her Majesty's Government of India.

2. As mentioned in my letter of 3rd ultimo No. 312 the documents should have been in favor of the Secretary of State for India, but as they have been registered, and there might be some difficulty in obtaining fresh conveyances from the Vendors, I propose to prepare a conveyance of the three pieces of land from the Executive Engineer to the Secretary of State. The descriptions of the lands comprised in the vernacular documents are very incomplete; and, in the conveyance I propose to prepare, I will describe the properties in a schedule in which I will leave blanks to be filled up by the Executive Engineer for the proper descriptions of the lands.

3. Awaiting your instructions

From,

To,

The Secretary to Government,

Public Works Department,

Cotacamund.

Sir,

I. With reference to the Order of Government P. W. D. dated 28th ultimo No 588 D, I forward herewith fair draft conveyance from the Executive Engineer Buckingham Canal Division to the Secretary of State of the pieces of land in the Nellore District comprised in the three Telugu deeds of sale in favour of the Executive Engineer. I would suggest that that officer be requested to fill in the boundaries of the several pieces of land for which blanks are left in the Schedule to the draft conveyance. When this has been done the draft should be sent to me for engrossment.

2. I have assumed that Mr Vincent was the Executive Engineer at the date, 15th March last, when the three Telugu deeds of sale were executed; but, if I am wrong in this, the draft conveyance should be altered by inserting the name of the then Executive Engineer in place of Mr Vincent's.

I have the honor to be,
