P. W. DEPARTMENT.

DW.

Read the following:—

With reference to your note on I hope of remarks in the linked file, the orders relating to increasing the powers of Supply Supply are submitted.

The increase of powers conferred on Supply Supply is purely personal, it seems doubtful whether Lt. Colonel Drake. Brockman should be granted increased powers until he has been confirmed in the ranks of Supply Supply.

At 15.10.88 TO

FOR ORDERS.

On the departure on leave of Colonel Vebart, & on the return to duty of Col. Thornton, Lt. Col. A.C. Smith & Major Neil Campbell, the officers holding rank as Supply Supply will probably stand as follows:—

- First-Class
 - Col. Pennyfolds, temporary rank
 - St. Col. Drake Brockman — do —
- Second Class.
 - Col. Thornton, rank pro tem
 - Lt. Col. A.C. Smith, temporary rank
- Third Class
 - Major Campbell, rank pro tem
 - Col. Smallwood, temporary rank
 - Mrs. Hannan — do —

There seems no reason why increasing powers should not be given - say to 25000 # if the thing could be done often more to 14,000 #
