NOTE OF REMARKS.

The accompanying Estimates provide for Constructing a 2nd Class Police Station at Podili and eight Police huts at Naidupeta in the Nellore District.

The rate for teak wood wrought and put up is quoted in the Estimate at Rs 5 per c.ft but the rate given in the District Schedule is Rs 4 per c.ft which would reduce the Estimate by Rs 94 —

The rate given for painting (Carron oak colour) is Rs 3½ per sq yd, the rate given in the schedule is Rs 2½ to 3 if the higher rate is taken there will thus be a saving of Rs 3 in this item - The aggregate saving in the Estimate for the Police Station will therefore be Rs 97 -

In the Estimate for Eight police huts at Srivilliputtur the rate for terracing is given at Rs 2 per square the rate given in the schedule is 12 anns per sq: which if adopted would effect a saving of Rs 40 in the Est: — The rate for pointing is given at Rs 2 per sq: the rate given in the schedule is 1½ per sq: and would if adopted effect a saving of Rs 42½ in the Estimate or a total saving of Rs 88½ or for both estimates an aggregate saving of Rs 185½ - With

these exceptions the rates are fair -

The Estimates have been countersigned by the Inspector General of Police and approved in the Judicial department -

17-12-87

The plans are in accordance with the standard designs -

17/12/87

Returned to EE and request that the Est may be altered to agree with the schedule rates; unless there are reasons to the contrary - Mention the items that are in excess.
