Note.

With reference to para 5 of the rules for obtaining English stores printed with G.O. No. 202 W dated 25th January 1886, all the indents should be numbered progressively and each item of the indent numbered consecutively; and the Govt. of India draw particular attention to the necessity of such numbering so that the quotation of the number of an indent and the number of an item may fully identify the article in question.

The items in the accompanying indent are numbered consecutively as required, but the indent itself does not bear any number. The same was the case with the indents already submitted.

In the present calendar year only two indents have been submitted to the Director General of Stores, vide G.Os. noted in the margin, and the present indent will thus form No. 3.
