RETARY TO GO
6 FEB 8

Your Office Note No. 270 C dated
21st January 1888.

Herewith are forwarded 2 Statements showing, in one the amount of personal allowance and in another the double Travelling Allowance passed to officers while employed on the Periyar Hills from 1869-70 to 1874-75. No special allowances were granted to the Subordinates employed on the work, and the grant of allowances to Officers, ceased from 1874-75 owing to cessation of work, vide G. O. No. 1762 dated 1st July 1874; hence the omission of "Periyar" in para 527 of the P. W. Code.

To

The Secretary to the Govt. of Madras,
P.W. Deptt.

Fort William, 13th January 1888.

Sir,

It is stated in paragraph 3 of your letter No. 2835 W, dated 22nd October 1887, that "Special allowances had always been given at the Periyar, but that they had hitherto taken the form of double travelling allowance *plus* a personal allowance".

2. I am directed to request that you will quote the orders under which these allowances have been given at the Periyar and the amount of personal allowances granted in each case.—

To
The Secy: to the Govt of India
P.W.D.

P.H.H.
11 Feb

Sir

I am directed to acknowledge the receipt of your letter No. 9 I dated 13th January 1888 and in reply to forward for the information of the Government

Government of India, copies of the orders quoted in the margin[×], sanctioning special allowances for duty on the Periar hills. I am also to forward copies of two statements furnished by the Examiner P. W. Accounts showing the amounts of personal allowance and double travelling allowance passed to officers from 1869-70 to 1874-75, when the allowances ceased owing to cessation of work. The omission of the special allowances from para 527 of the P. W. Code is thus accounted for.

No

[×] G.O. 3636 d/20th November 1868
" 1 " 14th January 1869.
" 1905 " 10th August 1870.

No special allowances were, under the former sanctions, granted to Subordinates employed on the Periar works; but the extra allowances recommended in my letter No. 2315 W dated 29th August 1887 should, it is considered, now be conceded to them.

„	Director-General of Post Offices, dated 10th May 1887, No. 1582.							

ORDER—dated 15th June 1887, No. 1617 W., Public Works.

With the papers recorded above, the Superintending Engineers and the Consulting Architect submit statements of demands on account of incomplete and minor new works, and for repairs under Imperial Military and Civil Works.

2. Under Imperial Military the demands for original works amount to —

	RS.
Minor works, lump sums	28,355
New works, minor	20,408
Do. major	16,208
Incomplete minor works	6,239
Do. major works	60,241
Total ...	1,31,451

while the budget grant for minor works amounts to only Rs. 20,987. The statements received from the Superintending Engineers, IV and V Circles include large demands on account of works which should have been brought forward in their budget estimates; but as many of these works are in progress and cannot with advantage be postponed, a sum of Rs. 26,021 will be transferred from the grant for repairs to enable funds to be provided for them. The available grant for original works will then be Rs. 47,008. Of this amount, Rs. 36,411 for incomplete works and Rs. 1,224 for a new work which has been already sanctioned for immediate execution—*vide* G.O., No. 1111 W., dated 23rd April 1887, are now allotted, and the balance, Rs. 9,373, is placed in lump sum at the disposal of Officers Commanding Divisions and Districts, to whom Superintending Engineers will apply for funds for such works only as are emergent.

3. The rate of percentage charge for general tools and plant having been increased from 1 to $1\frac{1}{2}$ per cent.—*vide* G.O., No. 881 W., dated 23rd March 1887, the provision required to meet the adjustment of the contribution at the higher rate has been made by reducing rateably the budget grants for repairs, and establishment. The budget grants will in consequence stand as shown below :—

	RS.
Original works	1,42,600
Repairs	2,98,170
Total, Works ...	4,40,770
Establishment ...	1,02,630
Tools and plant	6,600
Total ...	5,50,000

The budget provision of Rs. 3,00,000 for repairs will therefore, including the transfer to original works sanctioned in paragraph 2 above, be reduced to Rs. 2,72,149. The demands under repairs and the allotments sanctioned against them are shown in statement A. If the allotment to the Presidency division be found insufficient, the Superintending Engineer, V Circle, will apply for a further grant later in the year.

4. Under Imperial Civil Works the demands against original works, postal, amount to—

	RS.
For minor works, lump sum	1,630
For incomplete major works	2,129
Total ...	3,759

The budget provision for postal minor works is Rs. 10,000. Of this, a sum of Rs. 2,129 has been allotted for completing the new Post office at Anantapur, and the balance, Rs. 7,871, is placed at the disposal of the Director-General of Post Offices, who will allot the required funds for works to be undertaken during the year.

5. The demands against original works, telegraphs, amount to Rs. 1,046 for incomplete minor works; but as the demand in each case is within Rs. 500, no appropriation is necessary under code paragraph 1908, part III. The budget provision of Rs. 6,000 for minor works, telegraphs, has therefore been placed at the disposal of the Director-General of Telegraphs, to whom application should be made for funds required during the year.

6. Under Imperial Civil Works the provision required to meet the adjustment of the contribution on account of general tools and plant at the higher rate sanctioned by the Government of India will be met by reducing the amount reserved in the budget for telegraph repairs, and the budget grant will, in consequence, be altered as shown below :—

		RS.
Original works ...	Postal ...	10,000
	Telegraph	6,000
Repairs	Postal ...	6,000
	Telegraph	4,905
Establishment ...		6,190
Tools and plant ...		405
	Total ...	33,500

7. The demands under Repairs, Postal and Telegraph, and the allotments sanctioned against them, are shown in statement A.

8. The statement received from the Superintending Engineer, I Circle, does not include demands for works in the Vizagapatam division. To avoid delay, allotments have been made to the extent sanctioned in the last official year for repairs under Military and Civil Works, and the Superintending Engineer will apply separately if funds are required for incomplete works.

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

Fort William, February 2, 1888.

Civil Engineers' Provident Fund.

Read again—

Public Works Department Resolution No. 1525 G., dated 5th August 1887.

Read also—

Letter No. 3148 G., dated 6th October 1887, from the Government of Bengal, enquiring whether the rules for admission of Officers of the Telegraph Department to the Civil Engineers' Provident Fund were likely to be made applicable to the Officers of the Traffic Department of State Railways.

RESOLUTION.—The question of the admission of members of the Superior Revenue Establishment of State Railways to the benefits of the Civil Engineers' Provident Fund having been under consideration, His Excellency the Governor General in Council is pleased to decide that pensionable Civil members of the Superior Revenue Establishment of State Railways, who, by the orders of Circular No. 1 Railway, dated 26th January 1886, are excluded from participation in the benefits of the State Railway Provident Institution, are admissible to the Civil Engineers' Provident Fund under the rules published with Resolution No. 1525 G., dated August 5th, 1887.

2. Arrears in one sum may be paid by an Officer of the above class, joining the Fund, for the whole or any portion of the period between the 1st January 1886, when subscriptions to the State Railway Provident Funds were disallowed, and the date of joining the Civil Engineers' Provident Fund, provided that in the case of officers now in India, no arrears shall be allowed to be paid later than the 30th April next; and in the case of officers on leave out of India, that no arrear payments shall be allowed after the expiry of 3 months from their return from leave. All payments of arrears should be supported by a certificate from the Examiner or Accountant General holding the subscriber's Leave and Service Register, who will be responsible for seeing that such payments do not exceed the maximum limits admissible.

3. The following words should be added to Rule I of the Rules for the Civil Engineers' Provident Fund, published with Public Works Department Resolution No. 1525 G., dated 5th August 1887:—

Enclosure
1 Statement

Sir,

I have the honor to bring to your notice that one B. Venkatappiah, clerk V class 1st Grade attached to the Kistna Western Division was appointed in May 1886 by the Examiner of P.W. Accounts as an Accountant in the Ganjam Division retaining a lien on his post in the former Division. A substitute was appointed from the date on which he left the Western Division, and the pay of the acting man was duly audited and passed by the Examiner of P.W. Accounts for, and up to, the 21st May 1887. But the Examiner disallowed the substitute's pay from the 22nd May on the ground that the No. of clerks, V class 1st grade, was in excess of the No. of Upper Subordinates.

2. As however 2 more Upper Subordinates, one a temporary man from your office, and

[illegible] of [illegible] man from the Buckingham [illegible] Division, have been recently posted to this Division, the No. of clerks will not now be in excess of the No. of Upper Subordinates in the Division.

3. I request, therefore, you will be good enough to obtain the sanction of Government to authorize the Examiner to pass the salary of the clerk ~ appointed in place of B. Venkatappiah, as long as the latter retains a lien on his post in the Western Division. As the acting clerk has already been without pay for over 7 months, I request the favor of early orders on the subject.

4. I send herewith a statement showing the names of the several acting men and the amount due to each of them, who were appointed in place of B. Venkatappiah from the 22nd May 1887 to the end of December 1887.

I have the honor to be

SIR,

In continuation of my letter No 3,055 of 30th Ultimo I have the honor to forward herewith a revised estimate* amounting to Rs 40,000 for the annual maintenance of the Kullar Gudalur Road and to state that in the statement that accompanied the above Rs 3,000 only have been applied for as the additional grant required for this work, which sum it was thought, at the time, would be sufficient for the remaining portion of the year. But, now, on the preparation of the revised estimate myself on the basis of expenditure for the past eight months I find that Rs 40,000 are absolutely necessary and

* 1 Revised estimate
1 Comparative Statement.
Retained in the Supdg Engr Office

and in fixing that amount, I have restricted my expenditure only to such portions of the work as are very essential. I beg, therefore, when submitting your proposal for the sanction of Government for the additional grant applied for in the letter above quoted, you will be good enough to include Rs 1500 more under Repairs Communications for the work in question.

2 The road was much cut up this year by the unusually heavy N. E. monsoon & the expenditure shewn was urgent & absolutely necessary. If I dont get the increased grant I shall have to keep the road coolies waiting for their pay for 3 months, or dismiss them altogether which would be fatal to the road.

I have the honor to be
Sir
Your most obdt. Servt.

No 513W a/15th Feb/88

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

Read—the following letter from Brigadier-General E. FAUNCE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 11th November 1887, No. 4381 A :—

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, plans, &c., below-mentioned, which have been approved by the Commander-in-Chief. The plans and estimate have been countersigned.

Estimate, amounting to Rs. 15,537, for constructing a new gun-shed for the G-2nd Royal Artillery at Bellary, with report and plan.

Enclosure.

Report to accompany estimate for constructing a gun-shed for G. 2nd Royal Artillery at Bellary as per standard design accompaniment to G.O., No. 2576, dated 10th October 1871, with modifications.

Amount of Estimate, Rs. 15,537.

This estimate has been prepared at the request of the Military authorities. The new gun-shed is intended to replace the one now in use, which was, I believe, condemned some years back.

2. It will be observed that the accommodation provided is in excess of that shown on the standard plan. The extra compartments were said to be necessary by the Officer Commanding G-2nd Royal Artillery, whom I was directed to consult regarding the accommodation required.

3. The site has been chosen by a standing barrack committee. A drain runs rather close to the building, but this could easily be diverted.

4. Nothing has been allowed in the estimate for value of materials belonging to old gun-shed, as the new work will be finished before the old is pulled down; it will not be possible to utilise any of the old materials for the new building, and if put up to auction they will fetch very little.

Bellary,
26th October 1887.

(Signed) A. H. GARRET,
Executive Engineer, Bellary Division.

No. 7088, Military.

Approved, and transferred to the Public Works Department for disposal.

(By Order.)

Fort St. George,
15th November 1887.

(Signed) A. KENNEY-HERBERT, Brigdr.-Genl.,
Secretary to Government.

Order—dated 28th November 1887, No. 3236 W., Public Works.

The estimate, amounting to Rs. 15,537, for constructing a new gun-shed for the Royal Artillery at Bellary, is sanctioned.

2. An allotment of Rs. 3,970 has been made for expenditure on the work during the current official year.

3. The accommodation provided in the plan is in excess of that allowed in the standard design of 1871 by five compartments; and His Excellency the Commander-in-Chief will be requested, in the Military Department, to report whether, in his opinion, the question of issuing a revised standard plan should be submitted to the Government of India for consideration.

4. This sanction has been registered as Imperial, No. 53 W. of 1887-88, and classified as Military, Original Works.

(True Extract.)

(Signed) J. O. HASTED, Colonel, R.E.,
Secretary to Govt., P.W.D.

NOVEMBER.

Gun-shed for the Royal Artillery at Bellary

Estimate of Rs. 15,537 for constructing a new —, sanctioned with remarks.

Dy. Asst. Qr. Mr. Generals Office
Ceded District
Bellary 20th January 188

No. BD/675

From
Colonel A. D. Parsons
Commanding Ceded District.

To
The Quarter Master General
Madras Army
Ootacamund.

Sir,

With reference to Proceedings of Madras Government No. 3236. W. dated 28th November 1887. Sanctioning an Estimate for the erection of the New Gun Shed for the G/2nd Royal Artillery at Bellary. I have the honor to request that, in accordance with Para. 1148, Public Works Code, Madras; that the Sanction of His Excellency the Commander-in Chief may be obtained for the dismantling of the "Store Room," shewn in the Triennial Return of Military Buildings in the Ceded district for January 1887. under the heading Royal Artillery Buildings No. 3.

II This building stands on the Site proposed for the new gun shed, and immediately in rear of the old gun shed, and its removal is therefore absolutely necessary.

III The Executive Engineer Bellary Division states that allowance for the dismantling the existing Store Room was made in the Estimate, and its position was shewn on the site plan. I may also mention that His Excellency the Commander-in chief inspected the Site on his recent visit to Bellary, and I understand at the time approved of it.

I beg to point out that there is not much time left for the Executive Engineer to spend the Grant for this work, and solicit, therefore, that an early reply may be given to this application.

I have the honor to be
Sir
Your most obedient Servant

From
Capt Lindley R.E.

To
Secretary to Government
Public Works Department

Sir

I have the honor to forward herewith an extract from the Gazette of India dated 4th Feby notifying that I have passed the departmental examination as laid down in the PWD Code.

I venture to hope that you will submit for the favorable consideration of Government that I should at an early date be promoted to Executive Engineer 3rd grade, the grade which my contemporaries in the service have held for some time.

As duty in the Military Works Dept has been ruled to be the normal military employment of Royal Engineer

A somewhat parallel case may be Major Lilley Smith

Jm

Rl. Engineer Officers in India I feel that it is a hardship that I should be subordinate to officers who are much junior to me in the service; (for instance, the officiating Garrison Engineer of the Division in which I am now serving is a subaltern of less than 9 years service; Again, (Lieut Nathan) a Lieutenant who has only recently arrived in India has been appointed as an Executive Engineer 4th grade.

Although I am a 1st Grade Assistant, for 3 years I have not been able to draw the full staff pay of my grade owing to the rule which limits the pay of an Assistant 1st Grade to Rs 550 from the P.W. Dept.

I recapitulate my service which I think should be taken into consideration although it has not been rendered in

1885-88. Complete
[illegible] Register

the Public Works Dept

1875-6. Curragh District, for some time as Divisional Officer.

1877. For several months in charge of the Detachment R.E. which was laying Hoo & Chattenden Railway.

1878. Malta & Cyprus Expedition on work which in India would be done by the P.W. Dept.

1879-80. Assistant Field Engineer through both phases of the Afghan War.

1882. Assistant Field Engineer in Egypt.

1883-84. In executive charge of rebuilding Nagpur Fort

1885. Field Engineer in the East Soudan. / and favorably mentioned in despatches (No 393 A of Nov 1885 from General Commanding at Suakin to Govt of India.)

I have the honor to be
Sir
Your most obedient servant
W. D. Lindley.

Rd 9. 2. 88

E. 1

No. 521 W of 14th February/88

1231

Note

Capt. W. D. Lindley R.E.
Asst Engr 1st grade,
having passed D.S.,
requests that early
opportunity may be
taken to promote him
to Ex. Engr 3rd grade,
so that he may be
placed on the same
footing as his contem-
poraries in the service.

Capt Lindley ~~was~~
appointed to the Dept
as Asst Engr 1st grade
under Code para 74 –

An officer ~~[illegible]~~ of
Royal Engrs cannot
be appointed to the
Dept in a higher grade
than E.E. 4th, without
the sanction of the G. of I.
vide

of Native [illegible] or Infantry.

vide Code para 77.

The conditions under which ~~&~~ an officer may be appointed S. E. 4th grade are given in Code para 78.

Capt Lindley has however already served some time in the Dept, & the paras above quoted apparently do not apply to his case.

Without sanction of G. of I., he could not be promoted to a higher grade, unless there were a ~~until the occurrence of~~ a vacancy.

Soon after Capt. Lindley joined the Dept, he appealed against the grade assigned to him, & he was informed that the Govt. were not prepared to bring him on the estabt. in the position of S. E. 4th grade. The intention then was apparently that he should rise in his turn to the grade of Ex. Engr. (vide P.G. No 781W of 30.3.85).

When Major Sidney Smith was appointed to the Dept, he applied for promotion to S. E. 3rd grade, but the G. of I. brought him on as 4th grade only & ~~said~~ said that it was impossible whether to take into account the military status of officers appointed to the Dept. vide G.O. No 2018W of 16.8.84, & papers enclosed therein.

For orders

Cy

11.2.88

It seems to me that Capt Lindley has no claim whatever for promotion in the Public Works Department, which is a Civil Dept. Promotion can only be given to him at the expense of the Civil Engineers in the Dept. The normal employment of R.E. officers in India, has been ruled to be the Mily Works Dept, and if Capt Lindley wishes for promotion he should

[illegible] Infantry

apply to be transferred to the Milty. Works Department.

11.2.88

I am strongly of opinion that Captain Lindley should have been appointed E.E. 4th Grade when he joined the Dept. & I consider that as he has now passed the Vernacular & is qualified, he should be appointed when a vacancy occurs. The Code provides for the Dept. being recruited from R.E. officers and permits of their appointment as E.E. 4th Grade without reference to the G of I. The Govt. of India have declined to transfer Captn. Lindley to the Milty. Works Branch and after a service of 15 years it is hard to be low down in the list of Assist. Engineers. I have discussed the matter with the H. M. & a reply may be sent to the effect that there is no vacancy at present, but that Captn. Lindley's claim will be taken into consideration, in connection with the claims of other officers when a vacancy occurs.

J.H.
13/2/88

No vacancies at present will be taken into consideration in connection with the claims of other officers when there are vacancies

Saw

With reference to letter No. 1948 d/ 22nd December/87 from the S.E. III Circle the below mentioned plans of the latest standard design of buildings for Native Cavalry &c. have been put up. As for details of fixtures saddle racks &c. there appears to be no standard design in the Native Cavalry, but Saddle rack and Harness rack (under the head miscellaneous) have also been put up as they may perhaps be required for reference.

Native Cavalry

1. Plan of Lines for a Regiment of Native Cavalry and Details of Sowars Huts and Horse lines for one Troop.
2. Plan for a combined Guard Room and Store Room for a Regiment of Native Cavalry.
3. Plan of a Magazine for Regt. of Native Cavalry or Infantry

Your most Obedient Servant
H. Smalley Col. R.E.
Superintending Engineer 3d Circle

4. Plan and Sections of Solitary Cells for Native Troops.
5. Plan of a ~~Forge Room~~ for a Regiment of Native Cavy
6. Plan of Mess House with out houses for Officers of Regiments of Native Cavalry and Infantry.

Miscellaneous

1. Drawing of Saddle Racks for Stables at Lucknow.
2. Harness Racks.

E.E.
7.1.88.

D.W. – for orders.

It seems doubtful whether the S.E. wants plans of all buildings connected with native cavalry lines, or only the plans showing details of fixtures, saddle racks &c.

Perhaps the I. G. of Mily Works may be written to for latest standard plans?

Yes – Write to Govt of India: C.

Military Works.

Read—the following letter from the Inspector-General of Military Works, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 26th January 1888, No. 252 B.:—

In reply to your letter, No. 188 C., dated 16th January 1888, I have the honor to inform you that there is no standard plan (in the Military Works Department) showing the details of fixtures, saddle-racks, &c., required for Native Cavalry.

2. The Native Cavalry Regiments located at the stations in charge of this department are not provided with saddle and harness rooms at the expense of the State. The men make their own arrangements for storing their saddles, &c.

3. Type plan No. 19, British Cavalry series (copies of which have been supplied to you), shows the details of saddle-racks, &c., for British Cavalry.

Order—dated 2nd February 1888, No. 385 W., Public Works.

Communicated to the Superintending Engineer, III Circle, with reference to his letter, No. 1948, dated 22nd December 1887.
