GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

Office note from the Examiner of Public Works Accounts, dated Madras,
14th February 1888, No 1066.

G.O., No. 3156 W., dated 21st November 1887.

Will you kindly say what is meant by the expression "Other officers of corresponding rank" used in the Government order quoted above, in connection with sub-divisional officers.

2. A sub-divisional officer may be an Executive Engineer or a Sub-Overseer, and the title is merely one of office and not of rank. It seems desirable therefore that the intention of Government should be clearly defined to prevent misunderstanding hereafter.

ORDER—dated 20th February 1888, No 593 W., Public Works.

The intention of G.O., No. 3156 W., dated 21st November 1887, is that the signature of any officer liable to hold charge of a sub-division may be accepted if countersigned by the Executive Engineer. The class of officers so liable is laid down in paragraph 313 of the Public Works Code.
