I am directed to forward copy of a note by the
Chief Eng. P.W.D. to the Secy of Madras Int. No 3388 W.
dated 10. Dec. 1887 embodying a note by the Ch. Eng.
of P.W.D. on the subject of a site for the proposed
new High Court Buildings which were laid before
the Committee lately assembled at Madras to
consider the Harbour Defences.

2. In your letter No 2017 W. in dated 26. Dec. 1887 it
was stated that the Defence Committee were
unanimously opposed to the site in the explanation
of Fort St. George, being appropriated for the purpose
of erecting a new High Court, but as some of the
Defence Committee were acquainted with Madras
it was considered desirable that the opposing
of some of the members visiting the locality to
ask for
express a reconsideration of the question
