3RD FEBRUARY 1888, No. 134, PUBLIC.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From the Commissioner of Police, Madras, dated 10th December 1887.

ORDER—dated 3rd February 1888, No. 134, Public.

The Government agree with Colonel Weldon that it is undesirable that a man who is in a chronic and hopeless condition of indebtedness should be retained in the public service. The anxieties attendant upon such a state must necessarily greatly detract from the value of the debtor's work, besides exposing him to temptations to dishonesty, which, in such circumstances, it is very difficult to resist.

His Excellency in Council accordingly resolves to rule that where half the salary of a Government official is constantly being attached for debt, or has been continuously under attachment for more than two years, or is attached for a sum which, under ordinary circumstances, it will require more than two years to repay, a full schedule of such officer's debts shall be obtained by the head of his office and the case reported for the orders of Government, who will deal with the matter in the same way as if the debtor had taken advantage of the insolvency court.

2. The chief points to be noted in such reports will be—

- (1) The proportion of debts to salary and the extent to which they detract from the debtor's value as a public servant.
- (2) Whether the debtor's position appears to be retrievable.
- (3) The advisability, under the circumstances, of retaining him (a) in the particular post he occupies; (b) in any position under Government.

3. The Commissioner of Police will deal with the case upon which his reference was made in accordance with the above directions.
