Civil Works.

Read—the following letter from Colonel H. M. VIBART, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Tirukoilúr, 3rd February 1888, No. 4638:—

I have the honor to forward for sanction a plan and an estimate, amounting to Rs. 643, for constructing a verandah in front of the Government Workhouse at Ráyapuram, Madras.

2. The building as at present constructed has no protection from sun and rain in front and the front rooms are therefore very uncomfortable both in the hot and wet weathers. It is proposed to build a verandah for the entire length of the building; this will remedy the inconvenience now felt for want of such protection.

3. The plan and estimate have been approved by the President, Managing Committee, and the plan by the Vice-President of the Madras Municipality.

Order—dated 21st February 1888, No. 611 W., Public Works.

The estimate, amounting to Rs. 643, for constructing a verandah in front of the Government Workhouse at Ráyapuram, Madras, is sanctioned for execution when funds become available, due regard being had to other works of more importance.

2. This sanction has been registered as Provincial, No. 173 W. of 1887-88, and classified as Civil Buildings, Original Works.

Read—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Madras, 27th July 1882, No. 1579:—

1 Abstract Estimate in duplicate.
1 Comparative Statement.

I have the honor to submit for sanction a revised estimate of Rs. 20,290 for additions and alterations to the Government Work House at Ráyapuram.

2. The original estimate of Rs. 18,700 was sanctioned in G.O., No. 2809 W., dated 11th November 1881; and the further amount of Rs. 1,590 is accounted for as follows:—

(No. 1.)—Quarters for 20 men—

I. Brickwork in chunam. Excess Rs. 114. The rate has been raised from Re. 0-2-6 to 0-2-7½ pie per cubic foot on account of the long distance of cartage of materials to Ráyapuram.

II. Teakwood wrought and put up. Excess Rs. 205. The scantlings of the roof trusses have been increased to agree with the standard specification.

III. Sundries. Excess Rs. 131. Under this head special scaffolding was required to put up the trusses. Sheds were required for watchers to look after the tools and the provision of a latrine for the work-people was necessary. But these items were not contemplated in the original estimate.

(No. 2.)—Work Shed—

IV. Brick in mortar. Excess Rs. 160. Extra brick-work 880 cubic feet had to be built to enclose the store-room of the work-shed for the safe custody of tools, &c.

V. Teakwood wrought and put up. VI. Roofing with palmyrah couples two collar pieces, teak reepers, &c. VII. Roofing with teakwood reepers flat and pan-tile, &c.	Excess Rs. 318.

Teakwood had to be substituted for palmyrah couples, as the latter were not procurable of good quality in the market.

(No. 7.)—Compound wall—

VIII. Brick in mortar. Excess Rs. 243. A mistake was made in the first estimate in not providing for the full length of the compound wall.

3. The rest * of the excess is given in detail in the comparative statement, being composed of various small sums. The need of a further provision of funds is noted against Item No. 23 in the statement of funds for incomplete works with G.O., No. 1705 W., of the 7th instant.

* Rs. 419.

No. 57.

Order—dated 8th August 1882, No. 2008 W., Public Works.

The revised estimate, amounting to Rs. 20,290, for additions and alterations to the Government Work House at Ráyapuram, Madras, is sanctioned.

2. The excess of Rs. 1,590 over the estimate for Rs. 18,700 sanctioned in G.O., No. 2809 W., dated 11th November 1881, is explained in the Superintending Engineer's letter above recorded.

3. The expenditure on the work up to the 31st March last amounted to Rs. 19,062, and the balance now required to complete, Rs. 1,228, is appropriated from the Provincial Reserve.

4. This sanction has been registered as Provincial No. 73 W. of 1882-83, is classified as Civil Buildings, Original Works, and cancels Provincial No. 92 W. of 1881-82.
