GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following papers:—

Proceedings of Government, Military Department, dated 14th February 1888, No. 1078.

Read—the following letter from the Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 1st February 1888, No. 479 A.

Referring to Proceedings of Government, No. 629, of 27th January 1888, I am desired to note that, though G.O. in the Public Works Department, No. 80 W., of 10th January, mentions that the funds obtained from the Government of India, amounting to Rs. 7,500, are allotted to the conversion of certain buildings in Fort St. George into barracks for 60 single men, the Proceedings of Government in the Public Works Department, No. 3352 W., of 7th December 1887 (recorded in M.D., No. 7805, dated 10th idem), on which application was made to the Government of India for these funds, had reference to works connected with the new barracks provided for the garrison Battery, Royal Artillery (by conversion of a range of family quarters, British Infantry), and subsidiary buildings for them, and had no reference to the estimate, amounting to Rs. 5,400, for providing accommodation for 60 single men which was disposed of in G.O. in Public Works Department, No. 3000 W., dated 9th November 1887.*

* M.D., No 7314, dated 22nd November 1887.

2. Funds for the last named work would seem to be required, independent of the grant now made, if it is decided to carry it out, but under the arrangements contemplated in the correspondence beginning with this office, No. 51 A., dated 6th January 1888 and ending with its letter, No. 283-A. dated 19th idem, if barracks for a wing British Infantry are provided at St. Thomas' Mount there will be no necessity to disturb the offices of the Surgeons-General with the Government of Madras and of Her Majesty's Forces to make way for single men, British Infantry, in Fort St. George.

Vide M.D., No. 508, dated 24th January 1888.

Order—dated 14th February 1888, No. 1078, Military.

Communicated to the Public Works Department.

Order—dated 21st February 1888, No. 613 W., Public Works.

Communicated to the Superintending Engineer, V Circle.

2. With reference to paragraph 1 of his letter above recorded, the attention of the Quartermaster-General will be drawn to paragraph 5 of G.O., No. 31 W., dated 6th January 1888, in which the Government of India have already been requested to sanction for the next official year a special grant of Rs. 5,680, which is the unspent balance of the estimates detailed in the margin for the conversion of certain buildings at Fort St. George into barracks for 60 single men.

	Rs.
Conversion of "A" block into single men's barracks	13,400
Repairs to "A" block, single men's barracks	2,477
Conversion of the Royal Artillery Sergeants' Mess and adjacent godowns into a latrine and lavatory.	3,820
Conversion of the old Adjutant-General's office into barracks ...	5,400

3. It is now represented that if barracks for a wing of British Infantry are provided at St. Thomas' Mount the estimate of Rs. 5,400 for conversion of the offices of the Surgeons-General with the Government of Madras and of Her Majesty's Forces need not be carried out. The special grant of Rs. 75,000 applied for in letter to the Government of India, No. 441 W., dated 7th February 1888, may in this case be reduced by Rs. 5,400.

4. Ordered that a copy of these proceedings be forwarded for the information of the Government of India.
