GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 6th August 1888, No. 681 :—

THE HON. W. S. WHITESIDE.

Read—the following letter from J. H. A. TREMENHEERE, Esq., Acting Collector of Coimbatore, to the Secretary to the Commissioners of Land Revenue, dated Coimbatore, 23rd July 1888, No. 642 :—

With reference to Board's Proceedings, lated the 28th March last, No. 325, I have the honor to submit the following definite proposals, viz.:—

(1) The portion of the road from Kollegál to Bháváni through the Bargur hills to be kept up by the Forest Department and the District Board jointly is that from Chellampalaiyam to Ajjipuram—a distance of 50 miles.

(2) The proportion of funds to be provided by the Forest Department and the District Board is two-thirds and one-third, respectively. The District Board have agreed to this.

(3) The agency to be employed is the Forest-officer, North Coimbatore division, as the whole length of the road runs through forests and is in an out-of-the-way locality.

2. The other roads—Hassanúr to Lockanhalli, 38 miles, and the Punachi ghât road, 6 miles—run through forests. The former must form part of Mr. Hayne's scheme referred to in paragraph 2 of the Conservator's endorsement, No. 2829, of 29th February 1888, printed with the Proceedings under reply. From the point of view of the District Board, its upkeep is not necessary. As regards the Punachi ghât road, which is not required by the Forest Department, the District Board have agreed to make an annual grant of Rs. 100 for its upkeep in consideration of the road-cess collected on the coffee estates in that neighbourhood. This grant Mr. Porter and I think may be made over to one of the planters, and he can utilize it best, as it is the planting community that is interested in the maintenance of the road.

Resolution—dated 6th August 1888, No. 681.

Submitted to Government with reference to G.O., dated 14th May 1888, No. 2946. The Board approve the Collector's proposals, which are that the Bargúr road should be kept up by the Forest Department, the Local Fund Board contributing; that the Hassanúr road should be kept up wholly by the Forest Department; and that the Punachi road on the Anamalais should be left to the planters, the Local Fund Board contributing a small grant.

2. The proposals affect only the portions of the roads lying within forest limits; the portions lying outside have already been provided for by the Local Fund Board —*vide* the President's letter in G.O., dated 14th September 1887, No. 1743 L.
