CHIEF SECRETARIAT MADRAS.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :–

From the District Magistrate, Kurnool, dated 18th January 1888, No 25.

I have the honor to urge, with very great respect, the desirability of an officer with the powers of a justice of the Peace being posted to the charge of Nandyal.

2. Railway communication is now open to this town, which is rapidly rising into importance, and there are a considerable number of Europeans employed on works there, and on the extension of the line, as well as others engaged in working the train service.

3. The Government are aware that I have no European Assistant of any kind, and that I am the only Justice of the Peace in the District.

Order 13th February 1888, No 389

The Government will consider the question of sending an European officer with the powers of a Justice of the Peace to Nandyal as soon as the Head Assistant's bungalow is finished. It

is

is observed that provision for this work is made in the Public Works Budget Estimate for 1888-89 (No 62, dup 4).
The Public Works Department will be requested to provide the full amount required for the work in 1888-89 and to push on the work as far as possible.
