

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the

Board of Revenue (Land Revenue) dated 8th February 1888, No. 772 Muz, on Endorsement of the Collector of Bellary dated 15th December 1887, Reference on No. 64 of 1887, on letter from the Head Assistant Collector, dated 10th December 1887 to 1529.

There were formerly 4 bastions in the village of Mangapur in Kaditipi Taluk. All of them were in a ruined state and did not belong to any fort. During the late famine the stones thereof were, on the orders of the then Divisional officer, Mr. Murgasam Moodahar, utilized in constructing a well for the use of the public. That officer did not apparently obtain the orders of the higher authorities before granting permission to use the stones. There are still 8 or 10 bandy loads of rough stones worth about 2 Rs and heaps of mud, remaining on the spot. Each of these heaps of mud measures two.

two yards in height and five yards in
circumference. The materials are being
clandestinely carried away by the people
and it is not possible to keep any watch
over them. I have therefore the honor to
request sanction for disposing of the
same in public auction.

Forwarded to the Secretary to the
Land Revenue Commissioners with a
request that the sanction of Govt. may
be obtained for the disposal of the ma-
terials as proposed. The Department of
Public Works do not require them.
