Sir,

With reference to your endorse=ment No. 450 dated 26th. January 1888 herewith returned, I have the honor to state that the Apothecary in charge of Uttamapolliam was suddenly summoned to appear before the Court of the Joint Magistrate at Erode, and as it was anticipated that his absence would not exceed a week, Assistant Surgeon Fernandez, in my absence, deemed it the best plan that the Medical Subordinate attached to the Gudalur Ghat Works Establishment at Gudalur, 10 miles distant, should assume temporary charge of the Uttamapolliam Dispensary without prejudice to his own very light duties at Gudalur. Mr. Fernandez therefore gave him the order to that effect,

Sir,

With reference to your endorsement No. 450 dated 26th January 1888 herewith returned, I have the honor to state that the Apothecary in charge of Uttamapolliam was suddenly summoned to appear before the Court of the Joint Magistrate at Erode, and as it was anticipated that his absence would not exceed a week, Assistant Surgeon Fernandez, in my absence, deemed it the best plan that the Medical Subordinate attached to the Gudalur Ghat Works Establishment at Gudalur, 10 miles distant, should assume temporary charge of the Uttramapolliam Dispensary without prejudice to his own very light duties at Gudalur. Mr Fernandez therefore gave him the order to that effect, at the same time communicating to the Executive Engineer Madura Division the letter marginally noted, of which copy is enclosed.

2. Mr Fernandez disclaims any intention to be discourteous, and admits that he was in error in giving the order without first having obtained the sanction of the Executive Engineer as the Medical Subordinate was undoubtedly under his orders.

3. As it turned out:— the Apothecary was absent from his dispensary 13 days instead of 6 days as was expected.

I have the honor to be
