No 591 P.W.
Report by the Superintending Engineer
VI Circle on the Estimate for reconstructing
the Printing Office at Kokarakulam in
Tinnevely District. (Re 8960.)

Under the circumstances explained in the
Executive Engineer's Report attached to the
Estimate, the present building is proposed
to be demolished and a new building on an
improved plan constructed at the site marked
in the site plan.

2. As there is no verandah around the
building the double shutters proposed for
windows are considered necessary. It is also
recommended that porches or short verandahs
8 x 6 feet each to be constructed from the
contingencies in front of the two outer
doors to prevent rain water getting into the
room through the doors.

3. The rates are fair and the Estimate
is forwarded for sanction through the
Collector of Tinnevely vide para 988 of
the P.W. Code

NOTE OF REMARKS.

The estimate under
review amounts to
Rs 8960 and provides
for dismantling
and reconstructing
on an improved
plan the building
occupied by the
Govt. Printing Press
at Karkarabara.

It is explained
in the Report that
the existing building
is in a very dilapidated
condition and quite
beyond repairing, it
is therefore proposed
to dismantle and
reconstruct it on

a more suitable plan.

The rates are fair with the exception of that for roofing which is slightly in excess of the rate given in the Schedule. The former being Rs 17 per square and the latter Rs 16. If the rate given in the Schedule is adopted there will be a saving of about Rs 56.

The Estimate is countersigned by the Collector and approved by Govt. in the Revenue Dept.:-
