10th FEBRUARY 1888, No. 136, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—Statement of expenditure incurred on account of the move of Government Offices to the Hills in 1887.

ORDER—dated 10th February 1888, No. 136, Financial.

The statement will be forwarded to the Home Government.

2. The charges incurred in the Revenue and Public Works Departments on account of "Service postage" seem to be unduly high, and the cause should be reported.

3. The Government learn that the practice as to debiting postal and telegraph charges to the Ootacamund tour grant has not been uniform. In future the cost of telegraph messages and service covers passing between the Government Secretariat Offices at Ootacamund and Madras should alone be so debited.

4. The cost of the establishment of the Surgeon-General has been much greater than was estimated by this Government in their letter to the Finance Committee, dated 18th December 1886, No. 1347, even after allowance has been made for the subsequent increase in the Ootacamund rates. The Surgeon-General will report whether the arrangements mentioned in his letter of the 15th December 1886, No. 410, were subsequently modified.

5. This statement should in future reach Government not later than six weeks from the date of their return to Madras. The Accountant-General and the departments concerned will arrange for this.

(True Extract.)

A. J. Cardew.
for Chief Secretary.

To the Departments of the Secretariat.

" Surgeon-General with the Government of Madras,
with copy of letter to Finance Committee,
dated 18th December 1886, No. 1347.

" Accountant-General.
