GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
~~Establishment.~~ Accd

Read—the following letter from J. W. RUNDALL, Esq., M.I.C.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 20th February 1888, No. 389 R.N. :—

I have the honor to submit the accompanying copy of application for reappropriation of budget grants for the Ramnad division for 1887-88, received from the Executive Engineer of that division, together with copy of his letter, No. 2519 R.N., of 17th February 1888.

2. The application is not complete, as the demands and surrenders under original works are shown in lump sums instead of exhibiting separately those for individual works for which specific appropriations have been made in the budget, and the explanation conveyed in the letter is not definite. It has been received after several reminders, and so, with a view of saving further delay, I deem it desirable to send on the application as it is. The Executive Engineer has been asked to furnish at once details of surrenders and demands for original works, and they will be submitted as soon as received.

Enclosure.

From W. JOPP, Esq., Executive Engineer, Ramnad Division, to the Superintending Engineer, VI Circle, dated Ramnad, 17th February 1888, No. 2519 R.N.

With reference to your telegram of the 11th instant, I have the honor to forward herewith the application of budget grants for 1887-88, prepared by Mr. Target before leaving.

2 He informs me that the causes of modifications or reappropriation of grants are as follows:—

The increase under the heads noted in the application is owing to funds provided for certain works in the budget not being found sufficient, certain works which were found necessary having been put on hand during the year, and also to the funds to the extent of Rs. 2,455 and Rs. 400 made available for outlay to be incurred on the "repairing the watershed at Thallakulam chattram at Madura," and also for repairing the Ramnad zemindari madam at Chidambaram respectively by the Executive Engineers of Madura and South Arcot divisions.

3. The cause of surrender of grants is due partly to certain works for which levels have been taken but estimates not yet prepared, and partly to the refusal of inspection of Devasthanam works.

APPLICATION for a re-appropriation of Budget Grants.

PROPOSED NEW GRANT.

Departmental and service head.	Item number of budget.	Works.	Amount of estimate.	Outlay to end of previous year.	Original grant for current year.	Existing grant for current year.	Proposed increase.	Grant as now proposed.
