CHAIRMAN, HARBOUR TRUST BOARD,

MADRAS,

TO

The Honorable H. E. Stokes Es.

CHIEF SECRETARY TO GOVERNMENT,

Marine Department.

Sir
I have the honor to submit herewith for the information of Government Extract from the Proceedings of the Harbour Trust Board at their meeting of 20th January, in reference to the salary drawn by Mr. Parkes in connection with the Harbour Works. I also forward for ready reference copies of the previous resolutions Nos 2 of 2nd December, 1886 and 3 of 27th January 1887.

The Trustees would be glad if the matter could be strongly represented to the Right Honorable The Secretary of State, as they themselves have no confidence in Mr. Parkes as an Engineer, and as he has ceased to be Engineer-in-Chief to the Madras Harbour Works, consider that his salary should be reduced, should the Secretary of State retain his services as Consulting Engineer.

Have the honor to be
Sir

Your most obedient servant

EXTRACT of Proceedings of the TRUSTEES of the HARBOUR
 of MADRAS, at a Meeting held at the Offices of the
 Board on Thursday the 2nd day
 of December 1886. 765

2 Read S.O. 13099 W. Public works dated 23rd November 1886, communicating despatch from the Secretary of State for India, forwarding report on the progress of the Madras Harbour works during the second quarter of 1886, with remarks on the present position of Mr. Parkes and other members of the Staff of the works, and requesting the opinion of the Board in reference thereto.

The Trustees are of opinion that should Government consider it necessary to retain Mr. Parkes on the permanent Staff of the reconstruction works as Engineer-in-Chief, he should receive his instructions direct from the Board, but they are also of opinion that his services might be more economically availed of, if required as a Consulting Engineer merely should the Board at any time

any time desire to refer to him for
a professional opinion
