SUPERINTENDING ENGINEER,  
IIIrd CIRCLE.

TO,

THE Chief Engineer

SIR,

Madras

Enclosures.

With reference to G.O. No. 3377 W. of 9<sup>th</sup> December 1887, I have the honour to request that a special provision of Rs. 8985 may be made under "Military Repairs" next year, for the estimate for thorough repairs to the European Infantry Married Ranges and out Houses at Bellary.

2. Of the usual annual grant of Rs. 25,000, Rs. 15,000 have to be set apart for the recurring charges as per margin and the balance Rs. 10,000 is barely sufficient to keep the existing buildings in a state of repair. Many of these are old and are in need of constant repairs.

3. The original cost of the Military Buildings in the Cantonment and in the Sanitarium

Cantonment Rs.  
Roads 5000  
House Rent  
Compensation 5000  
Barrack  
damages — 5000  
15000

of Ramondroog is estimated at Rs 1,900,000;  
but the amount actually available for their  
repairs is Rs 10,000 only as shown above i.e. ~~about~~  
1/2 per Cent.

I have the honour to be  
Sir,  
Your most obedt servant

H Smalley Col R.E.  
Suptg. Engineer
