20TH MARCH 1884, No. 759 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following letter from L. R. BURROWS, Esq., Acting District Magistrate of Nilgiris, to the Chief Secretary to Government, dated Ootacamund, 5th March 1884, No. 51:—

Under the orders of Government, Judicial No. 262 Mis., dated 30th January 1884, I have the honor to submit the return of cases disposed of by the special bench of magistrates, Kotagiri, during the last three years, as furnished by the sub-magistrate of Coonoor.

2. With reference to the rough plan and estimate called for by Government, I have to state that I have more than once requested the Executive Engineer to furnish the same, but he informs me that "work with prior claims will prevent the preparation of even a rough estimate for some time to come." He has, however, stated that the approximate cost of the building proposed would be Rs. 5,000. The proposed building, on which this estimate is founded, was to consist of a central room measuring 20 feet by 16 feet, with a good broad verandah in front. On each side of this room it is proposed to place a smaller room 10 feet square, one as a retiring chamber for European, and the other for native magistrates; and attached to each retiring-room would be a small bath-room. This is not more accommodation than is actually needed.

3. The temporary arrangement sanctioned in G.O., Mis. No. 351, Judicial, dated 7th February 1884, by which the bench at present sits in Mr. Ariss' room, is one which is dependent on the existence of Mr. Ariss' hotel, the lease of which, I believe, was only taken by Mr. Ariss for one year. The previous accommodation for the bench in the Public Works Department bungalow was most insufficient, as reported to Government in letter, No. 6, dated 17th January 1884, and I hope Government will be able to grant the sum required for the proposed new building.

4. I should add that I have this day concluded with Mr. Haldwell the purchase of the land on which it is proposed to build the court-house, and that a good site has been selected thereon just opposite the market chattram and facing the old road to Mettupalaiyam.

No. 638, Judicial.

Transferred to the Public Works Department, for the preparation of the requisite plan and estimate.
