THE SUPERINTENDING ENGINEER,

COIMBATORE.

SIR,

In reply to your Memo. No. 50 dated
12th Instant, I have the honor to state that
none of the authorized Code forms suit an
agreement for the carriage of materials. The
form of agreement now returned by you is
in use since 1884, and accepted in past
years without objection.

2. If you consider that a new form
is necessary, I request you will be good
enough to address the Government Pleader
to draw up one to suit all requirements.

3. The agreement received with yours
under reply is herewith returned.

I have the honor to be
Sir
Your most obedient Servant

B. de Brito
Executive Engineer
