QUARTER MASTER GENERAL'S OFFICE,

Ootacamund,

28th February 1888.

No. *954 A.*

From

BRIGADIER-GENERAL E. FAUNCE,

QUARTER MASTER GENERAL,

To

THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT.

SIR,

In returning the correspondence referred to the Commander in Chief under Military Department No. 1824 dated 11th Ultimo, I am desirous to observe that according to the Madras Public Works Code (appendix c) — which is confirmed by the Bengal Barrack Regulations (para 179), it would seem distinct that each Warrant Officer or Departmental Non Commissioned Officer is entitled to have provided for him as part of the standard accommodation,

Stabling

stabling to the extent of one stall
12' x 8'.

2. His Excellency the Commander in
Chief would therefore suggest that
this stabling be provided for each
of the quarters in question, occupants
of quarters being permitted to add
at their own expense stalls or coach
houses to such extent as may be
considered desirable, if the local
P.W.D. authorities see no objection,
provided that the additions are
made in accordance with a design
which these authorities might lay
down so as to secure uniformity
in such erections.

I have the honor to be,
Sir,

Your obedt. servant,

SUPERINTENDING ENGINEER'S OFFICE,

Chepak, 6th January 1888.

From

Col. H. M. Vibart. R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer
P.W. Department.

SIR,

Enclosures.

I have the honor to state
that applications supported
by the recommendation of the
Commissionary of Ordnance are
being received from the War-
rent Officers occupying the
Ordnance Lines at Madras,
for permission to build stab-
ling to their quarters at their
own expense, and permission
is accordingly given by the Exe-
cutive Engineer under Code
para 1196. As further similar
applications are likely to be
received, I would recom-
mend that sanction be
given to Stabling accommo-
dation

accommodation of plain mud
walls with common tile roofing
being built for all the quarters
at the Ordnance Lines, and the
rent of the quarters raised
proportionately to cover the
cost of the stabling.

I have the honor to be
Sir
Your Most Obedient Servant
Harriet Vibart
J. P. E.
Superintending Engineer
