From G. T. WALCH, Esq., Superintending Engineer, I Circle, to the Chief
Engineer for Irrigation, dated Dowlaishweram, 12th August 1887,
No. 1301 G.D.

With reference to paragraph 3 of my letter, No. 553 G.D., dated the 31st May
1887, printed with G.O., No. 1684 W., dated the 23rd June 1887, I have the honor to
submit herewith an estimate, amounting to Rs. 1,110, for "converting the store shed at
Ralli into a division office," and to request that you will be so good as to obtain the
sanction of Government to the same.

2. Nothing but what is *essentially* needed to make the shed suitable for use as a
division office is provided in the estimate.

3. As the construction of the shed was originally sanctioned under "Capital
Expenditure on Irrigation Works not charged against Revenue," the estimate now
submitted is also classed under the same head if so sanctioned, and it will have to be
met from the balance available for unforeseen works connected with the Godavari
delta project estimates, but I consider that the present estimate would be more fairly
charged to "Provincial."

No. 60 E.W.

Forwarded to the Chief Engineer, Public Works Department, with a recommend-
ation that the estimate, amounting to Rs. 1,110, for converting the store shed at Ralli in
the Godavari Central division into a division office, may be sanctioned from Provincial
funds under Civil Buildings, a reference being made in the General Branch to the
Government of India under clause VIII (c) of paragraph 1880 of the Public Works
Code as regards the transfer from Irrigation to Roads and Buildings.

ORDER—dated 19th October 1887, No. 2787 W., Public Works.

The estimate, amounting to Rs. 1,110, for converting the store shed at Ralli into an
office for the Godavari Central division, is sanctioned for execution when funds are
available.

2. This sanction has been registered as Provincial, No. 104 W. of 1887-88, and
classified as Civil Buildings, Original Works.

3. Ordered that a copy of these proceedings be forwarded to the Government of India with the request that sanction may be accorded to the transfer of the shed from Irrigation to Provincial Civil Works with reference to clause VIII (c) of paragraph 1880 of the Madras Public Works Code.
