GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From the Superintending Engineer, Periyár Project, dated 24th January 1888, No. 585 P.R.

From the Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated 5th March 1888, No. 1158.

The Apothecary asks, on grounds which cannot, it is thought, be admitted (namely, loss of private practice) for an additional allowance of Rs. 50 per mensem over and above any hill allowance that may hereafter be sanctioned.

2. The Surgeon-General to whom the question was referred by me recommends the grant of hill allowance of 50 per cent. on salary and horse allowance of Rs. 15 per mensem. A copy of his reply is enclosed.

3. With regard to the hill allowance, it is for Government to consider whether it is necessary to make any distinction between the Apothecary and the corresponding classes of the Periyár Public Works Department establishment for whom the Government of India has been asked to sanction extra allowance of one-third salary against half as proposed by the Surgeon-General. It is perhaps doubtful whether the Periyár should be considered an unhealthy tract if, as is understood to be the intention, the establishment and working parties are to be withdrawn during the season now beginning.

4. As regards the horse allowance, it is very probable that the omission of all mention of Civil Apothecaries in the Civil Travelling Allowance Code 24 (5) (new edition, Provisional issue) which corresponds with section 29 (6) of the previous issue is a mistake; but, under section 2 of that Code, it will be necessary to refer the question for the orders of the Government of India in the Financial Department if Government think the previous rule should be revised. *revised*

ORDER—dated 15th March 1888, No. 859 W., Public Works.

The sanction of the Government of India has already been requested to the grant of special allowance to the staff employed on the Periyár Works. The scale recommended includes an extra allowance of one-third pay to the Apothecary in common with other members of the staff.

2. As regards the omission from section 24 (5) of the new edition of the Travelling Allowance Code of the horse allowance hitherto granted to Civil Apothecaries, the point will be considered in the Financial Department, and such further action taken as may be necessary.

From

The Civil Apothecary,

attached to Periyar Project Works

To

The Superintending Engineer,
Periyar Project works,

Thro'

The Executive Engineer,
Periyar Division.

Sir,

I beg to bring to your kind notice
that before I was transferred to this place
I was doing duty in the Municipal Hospital,
Trichinopoly and although my pay was
small (Rs. 50) I was being amply remunerated
by private practice without any prejudice
to my hospital duties, but I sincerely regret
that by my transfer here I am a great loser

as

as I cannot enjoy the pecuniary and practical advantages I had there.

While at Trichinopoly I was only attending the general duties of the hospital with many other Subordinates attached to it, but here I have to exert myself very much in performing my duties to the satisfaction of our and all, and I have to do things independently without any professional help whatever. Added to my hospital duties I have to supervise the Sanitation of the place and to make constant movements to Periyar for which I am in no way being remunerated.

Apart from all considerations I would beg leave to request that some sort of Encouragement should be given to me (a Medical Subordinate) for

allowance of Rs. 50 per mensem independent of any hill allowance that may hereafter be sanctioned.

for my attending to multifarious duties solely depending on a poor pay of Rs 50 which I need not mention is hardly sufficient for my maintenance here.

Under the circumstances explained I beg to request you will be so good as to represent my case specially to Government and recommend me strongly for an allowance of not less than Rs 50 independent of any hill allowance, that may be sanctioned hereafter.

I beg to remain,
Sir,

Your Most obedient Servant,

S. J. Mullins,

IN RETURNING THE PAPERS REFERRED TO ME FOR REMARKS
 UNDER YOUR ENDORSEMENT NO. 676 X. OF 16TH. INSTANT, I HAVE THE
 HONOR TO OBSERVE THAT TAKING INTO CONSIDERATION THE HILLY
 NATURE AND UNHEALTHINESS OF THE LOCALITY IN WHICH CIVIL APO-
 THECARY MULLEN IS EMPLOYED, I WOULD PROPOSE THAT HE BE GRANT-
 ED A SPECIAL ALLOWANCE OF 50 PER CENT PLUS 15 RUPEES HORSE
 ALLOWANCE IN ADDITION TO HIS GRADE PAY OF RS. 90 IN ALL AS
 SPECIFIED BELOW.

PAY	RS. 50-0-0.
SPECIAL ALLOWANCE	RS. 35-0-0.
HORSE ALLOWANCE	RS. 15-0-0.
	RS. 90-0-0.

2. I MAY STATE THAT ALL MEDICAL SUBORDINATES SERVING IN
 WYNAUD AND THE HILLY TRACTS OF JEYPORE ARE GRANTED A SPECIAL
 ALLOWANCE OF 50 PER CENT AND AS CIVIL APOTHECARY MULLEN IS
 WORKING IN A SIMILAR LOCALITY HE IS IN MY OPINION FAIRLY EN-
 TITLED TO THIS CONCESSION.

3. WITH REGARD TO THE HORSE ALLOWANCE OF RS. 15 TO
 CIVIL APOTHECARIES, I HAVE TO REMARK THAT ITS OMISSION IN THE
 NEW PROVISIONAL CODE APPEARS TO ME TO BE A MISTAKE. THE LAST
 EDITION OF THE CIVIL TRAVELLING ALLOWANCE CODE AS IT ORIGINAL-
 LY STOOD MADE NO PROVISION FOR CIVIL APOTHECARIES BUT THIS
 OMISSION WAS SUBSEQUENTLY SUPPLIED UNDER THE SPECIAL ORDERS OF
 THE GOVERNMENT OF INDIA AS WELL BE SEEN FROM G.O. NO. 1511
 DATED 13TH; NOVEMBER 1885, - FINANCIAL DEPARTMENT, AND NO
 ORDERS HAVE SINCE BEEN PASSED, SO FAR AS I AM AWARE WITHDRAW-
 ING THIS INDULGENCE. WHEN ASSISTANT SURGEONS AND HOSPITAL

ASSISTANTS

ASSISTANTS CAN DRAW THIS ALLOWANCE I SEE NO REASON WHY APO-
THECARIES SHOULD NOT.
