5. The cost of Public Works supervision has, with reference to the modifications referred to in the preceding paragraphs, been reduced from Rs. 60,186 to Rs. 50,084.

6. It will be pointed out to the Court of Wards that officers of the Public Works Department cannot be expected to work up to grants revised so late as the last month in the official year. The Court's proceedings on which action is supposed to be taken did not reach the Government in the Public Works Department until the 9th March,

and probably the statements will not be in the hands of the officers concerned until the official year has expired and the grants have lapsed. It is, however, presumed that any lapsed grants will be re-granted.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following paper:—

G.O., dated 7th December 1885, No. 6799, Revenue.

Read—the following Proceedings of the Court of Wards, dated 18th November 1885, No. 315:—

Read—the following letter from the Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 18th August 1885, No. 201 G.N.:—

It appears from a letter received from the Collector of Ganjam that the budgets for the Court of Wards' estate works are prepared in the Revenue Department with reference to fasli and not official year, and that the grants for Fasli 1294 have lapsed at the end of June 1885. I think these budgets ought not to end with June, but be synchronous with those of Public Works Department. I bring this to your notice with a view to necessary orders of Government being obtained on the subject.

No. 527-E.

Referred, through the Revenue Department, to the Court of Wards for remarks.

Forwarded to the Court of Wards for the favor of very early remarks.

(Signed) W. WILSON,
Ag. Secretary to Government.

Read—the following Proceedings of the Court of Wards, dated 12th September 1885, Mis. No. 8481:—

Read—endorsement of the Acting Secretary to Government, Revenue Department, dated 27th August 1885, Mis. No. 4556, on that of Public Works Department, dated 27th August 1885, No. 527-E.

Resolution—dated 12th September 1885, Mis. No. 8481.

All the accounts and reports connected with the Court of Wards' estates are now rendered for the fasli year, and unless the Government are prepared to abolish this year in favor of the official year, the Court do not think it practicable or desirable to introduce the change advocated by the Superintending Engineer, I Circle, under which the official year will be substituted for only one item of charges, viz., irrigation

works, and *that* only in a few of the estates in which the works are entrusted to the Public Works Department, while the accounts of receipts and of all the other items of charges will be kept for the fasli year as at present.

2. Another objection to the proposal is that the commission payable to Government from the funds of an estate for management is calculated at one-and-a-half per cent. on the net collections after deducting certain charges, among which the expenditure on public works is included. There will consequently be considerable confusion in fixing the amount of commission if all the accounts are not kept for one and the same year.

3. The Court accordingly suggest that the Public Works Department be requested to keep separate accounts for the fasli year of the expenditure on estate works entrusted to their charge. The number of these estates is small, and the inconvenience to which that department will be put in having to keep separate accounts will probably not be great.

4. The Court beg to take this opportunity to request that the Public Works Department may be directed to furnish them with a monthly progress report of works, and also a brief annual report of the works carried out during the fasli, the amount expended, the improvements carried out, &c. It would be convenient if the reports are forwarded through the Collector of the district.

Office note by the Examiner, Public Works Accounts, dated Madras, 7th October 1885, No. 529:—

[Your office note No. 675-E., dated 30th September 1885.]

The accounts of works on Wards' estates, in so far as they enter the books of this department, must be kept for the official year, but I do not anticipate much difficulty in being able to furnish the Court of Wards with an account of the expenditure on such works for any period that may be required; as, for instance, from the 1st July of one year to the 31st July of the following year, and I presume this is all the Court will require.

From the Court of Wards' Proceedings in the file it appears that the budget estimates for estate works must be framed for the fasli year. Can this be effected?

Office note by the Examiner, Public Works Accounts, dated Madras, 15th October 1885, No. 566:—

[Your office note No. 2313-D., dated 12th October 1885.]

There is no objection to the budget estimates for estate works being framed for the fasli year, if the arrangement proposed in my office note No. 552, dated 13th October 1885, be agreed to.

Office note by Examiner, Public Works Accounts, dated Madras, 13th October 1885, No. 552:—

In continuation of my office note No. 529, dated 7th October 1885, I would suggest that, as the Court of Wards makes grants for the fasli year, it might, for the convenience of this department and its system of accounts and financial control, give approximate distribution of the grant to the portions of the financial years which the fasli year affects.

No. 1662-C.

Referred to the Revenue Department for favor of information whether the Court of Wards agree to the arrangement indicated in the Examiner's note of 13th October 1885, No. 552.

Attention is also invited to the note of 7th October 1885, No. 529.

To the Court of Wards, with papers, in original, to be returned.

Resolution—dated 18th November 1885, No. 315.

The Court of Wards have no objection to the arrangement proposed in the Examiner's note, dated 13th October 1885, No. 552.

2. The grant for the current official year may be taken to be three-fourths of the grant sanctioned for Fasli 1295 *plus* the actual expenditure in the months of April, May and June 1885.

3. For future years, the grant for the fasli year may be taken to be the grant for the official year.

4. The Court request that they may be furnished with a monthly progress report as stated in paragraph 4 of their proceedings, dated 12th September 1885, No. 8481.

The Collector is requested to report further upon the financial condition of this estate.

(4) *Gandharvakóta.*—The Collector's estimate leaves a surplus of Rs. 44,200 after providing for payment of debts to the extent of Rs. 79,800. The Collector will report whether the whole of the peishcush now in arrears will be paid up in the current year, and whether a further allotment may not be made for clearing off the debts due by the estate.

RESOLUTION—dated 6th February 1888, No. 270.

The budget estimates read above of the receipts and charges of the estates under the management of the Court of Wards for fasli 1297 are sanctioned, subject to the following remarks.

2. (1) *Kurla.*—The Collector having failed to provide for the payment of the commission due to Government, Rs. 200 have been entered under this head. The reserve has been reduced by Rs. 4,000 in order to reduce the charges to the amount of the estimated receipts.

(2) *Chipurupalli.*—The charges exceed the receipts. The Collector is requested to submit proposals for their reduction.

(3) *Chittlcherla.*—The gross amount of the Towji allowances has been shown under receipts, and the income-tax thereon under charges.

(4) *Pannaiyur.*—The totals of columns 8 and 9 of the estimate of receipts come to Rs. 2,600 and Rs. 24,392, respectively, and not to Rs. 3,500 and Rs. 25,292 as entered therein. The necessary corrections have been made.

(5) *Vadapathimangalam.*—The assessment and land-cess payable to Government have been entered in the lump. They should be shown separately in future.

(6) *Elagiri.*—The commission due to the Public Works Department for the execution of works has been separately shown.

3. The subjoined statement shows the allotment of funds for the execution of works by the Public Works Department :—

Proceedings of the Court of Wards, No. 270 dated 6th February 1888.

Endorsement by the Revenue Department, No. 1543 dated 6th March 1888.

Communicated to officers concerned for information.

2. It is observed that the grants provided for works in the estates noted below are less than the sums included in the preliminary budget circulated with the Proceedings of the Court of Wards, No. 517 dated 27th April 1887.

	Amount given in preliminary budget	Amount now granted	Difference
	Rs.	Rs.	Rs.
Jarada	7,500	2,000	5,500
Chinna Jeineli	20,000	16,000	4,000
Dharakot	3,000	2,000	1,000
Bedagada	2,000	1,300	700
Rannad	140,000	90,000	50,000
Total	172,500	111,300	61,200

3. The amount applied for on account of works in the Lakkavaram estate was Rs. 1,580, against which the Court of Wards assign Rs. 3,544.

4. Funds have been provided for works in the undermentioned estates though they ~~have~~ were not ~~been~~ included in the preliminary budget estimates circulated with the Proceedings of the Court of Wards, No. 517 dated 27th April 1887.

Chidikada	Rs. 11,387
Sripuram	" 2,500
Chitticherla	" 325
Relagiri	" 1,626.

5. The cost of P.W. supervision has, with reference to the modifications referred to in the preceding paragraphs, been reduced from Rs. 60,186 to Rs. 50,084.

6. It will be pointed out to the Court of Wards that ~~the~~ officers of the P.W. Department cannot be expected to ~~[illegible]~~ work up to grants revised so late as the last month in the official year, ~~which is now drawing to a close~~. The Court's Proceedings on which action is supposed to be taken did not reach the Govt. in the P.W. Department ~~till~~ until the 9th March, and ~~it is possible that they may not be placed~~ probably the Statements will not be in the hands of the officers concerned ~~till some time after~~ until the official year has expired, and the grants have lapsed. It is however presumed that any lapsed grants will be reappropriated.
