Madras, 15 March 1888.

The following is forwarded to the Secretary to Government, Public Works Department, for information, with the following remarks.

2. The audit of the Chief and Superintending Engineers cash books is carried out under the provisions of P. W. Code paras 371 A and 827 A. There is no rule in the Code requiring the submission of the reports of such audit to the Secretary to Government, Public Works Department, but it has however always been the practice to do so.

3. Please say whether, when there is nothing in the report requiring special notice, as in the present case, Government wish copies of the reports to be sent in future.
