GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from G. H. D. WALKER, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 10th March 1888, No. 584 G.:—

With reference to your letter, No. 68 W., dated 9th January, I am directed to state that the case of Mr. Grimes should be submitted for orders with the recommendation of the local Government six months before the date on which he is required to retire under the terms of Public Works Department Resolution, No. 1884 G., dated 26th September 1887.

2. Mr. Brassington will have to retire on attaining the age of 55 years in 1889.

3. Orders in regard to the military officers included in the statement forwarded with your letter will be issued hereafter.

4. I am to explain that those officers who, on attaining the age of 50 years, have less than 20 or 25 years' service cannot be retired within three or two years from 26th September 1887, unless they previously attain the age of 55 years. This answers (a) of the Examiner's note No. 836. The replies to points (b) and (c) are that the Examiner's assumption in each case is correct.

ORDER—dated 19th March 1888, No. 892 W., Public Works.

Communicated to the Examiner, Public Works Accounts, with reference to G.O., No. 67 W., dated 9th January 1888.

2. As Mr. Grimes has not 25 years' pensionable service to his credit, and will not attain the age of 55 until July 1893, he cannot be called upon to retire until the expiration of two years from 26th September 1887. His case will accordingly be submitted to the Government of India for orders in April 1889 should he then be still in the department.

3. The Examiner's assumptions, which are now declared by the Government of India to be correct, are (b) that the "furlough admissible under the rules," which an officer may be allowed to take prior to compulsory retirement, is to be confined to ordinary furlough actually due, and excludes extension on medical certificate; and (c)

that the expression * "attained the rank of Superintending Engineer" means the permanent rank of Superintending Engineer.
