NOTE OF REMARKS.

*The accompanying
 is an estimate amounting
 to Rs 2400 for repairing
 and improving 6
 police huts at Sultan's
 Battery, Mynaad.*

*It is proposed
 to remove the ex-
 isting zinc covering
 of the roof and
 to replace it with
 flat or pine tiles and
 to keep repairs retaining
 the old roof timbers
 which are stated
 to be in good condition
 and strong enough to
 bear the additional
 weight.*

It is also proposed
to add a kitchen
and an enclosed back
yard to each hut,
a retaining wall
of brick in Chumam
is to be constructed
to the front verandah
six common doors
to be provided in the
kitchens. A pair of
better class doors
which are stated
to be missing are
to be replaced.

The side walls
of the verandahs
are to be dismantled
& reconstructed.

The entire building
to be coated with
one coat of rough
plaster.

Concrete flooring
6" thick is to be
laid in the rooms
kitchen & verandah.

There is no schedule
of rates for Wynad,
the rates here therefore
are compared
with the schedule
for Cannanore &
South Canara.

The rate for brick
in Chumam & brick
in clay are not
given in this schedule
but the rates given
in this schedule are
Rs 45 for the former
& Rs 30 for the latter
per square appear
when rather high as
it is ^{at the rate of} about 2 to
3.6 ft for super-
respectively. The
cost of repairs
and improvements
to each hut is
Rs 400. The other rates for

The plan & estimate
have been signed

By the Asst. Inspector
General of Police and
approved in the
General Department.

The cost of the improvements
seems very heavy,
considering the class of
buildings - 400 Rs for
each apartment or 2400 Rs
in all -

Return to H.C. and
request that the
rates or design may
be modified -

The rates for brick work
are certainly very high,
but there may be local
reasons - Mention this
to the H.C.
