which an officer or servant is likely (through no fault of his own) to be incapacitated from doing his work properly if the advance is not made. At the same time the amount in question being so small, though the circumstances under which the advance is asked for are not stated, I should not be disposed to question any construction that Government in their discretion may put upon the rule.

Judging from the illustra-
tion given in the rule, the intention
would seem to be that such advances
should be made only in cases in

family is starving and as there are no
utensils to drink water or for other household
business, I request that your honor will
kindly be pleased to advance me Rs 10
which I shall return in two months by
instalments of Rs. 5.

Begging to be excused for the trouble,

I beg to remain,

Respected Sir,

Your most obedient servant

Sof Arumugam
Head Peon.

to C.A.W. for favourable considera-
tion if rules will permit.

The case might possibly
fall under Rule III, para
452, P.W. Code, & the advance
be recovered in three instalments
instead of two. *C*
