NOTE OF REMARKS.

The estimate under
revised amounting
to Rs 800 provided
for improving the
workshops at Kellon.

It is explained
that the present ac-
commodation
is insufficient, and
that the roof is
so low at the
western end
that the large hammer
cannot be properly
used, it is therefore
proposed to extend
the main building

The rates are fair
with the exception
of that for brick

is quoted in the
estimate at Rs 18

for the corresponding
item in the schedule
for the Bellare is
Rs 16. The saving
would only be
Rs 21 as the quantity
is small.

The plan submitted
