(Signed) J. E. PAUL,
Executive Engineer,
for Superintending Engineer, I Circle.

DOWLAISHWERAM,
8th June 1887.

ORDER—dated 6th July 1887, No. 1797 W., Public Works.

With his letter recorded above, the Superintending Engineer, I Circle, submits a supplemental statement of demands for incomplete and minor new works and for repairs in the Vizagapatam division.

2. The demands under Military, Original Works, are all for uncommenced new works, and, as funds are not available with the Government, no provision can be made for them.

3. The demand under Military, Repairs, is Rs. 3,500. A sum of Rs. 2,000 has been allotted for the purpose in G.O., No. 1617 W., dated 15th June 1887, and, if additional funds are required, the Superintending Engineer will apply for the same later in the year.

4. The Superintending Engineer will apply to the Director-General of Post Offices for funds required under Minor Works, Postal.
5. The demand under Postal, Repairs, is Rs. 500. A sum of Rs. 300 has been allotted in G.O., No. 1617 W., dated 15th June 1887, and no funds are now available to supplement that grant.
6. The demand under Telegraph, Repairs, is Rs. 800, and, as Rs. 500 have been already allotted, the difference, Rs. 300, is appropriated from the reserve with the Government under that head.
7. Rs. 500 for Provincial, Minor Works, Civil Buildings, and Rs. 1,000 for purchasing a building at Russellkonda, for use as an office for the General Deputy Collector have been appropriated in G.O., No. 1667 W., dated 21st June 1887.
8. A sum of Rs. 5,000 was allotted to the division under Provincial, Civil Buildings, Repairs, in G.O., No. 1667 W., dated 21st June 1887; but, as the demand is Rs. 2,000 only, the difference, Rs. 3,000, is resumed and credited to the Provincial reserve with the Government.
9. Rs. 6,211 have been allotted to the division under Provincial, Communications, Repairs (*vide* G.O., No. 1667 W., dated 21st June 1887). The Superintending Engineer will apply later in the year if additional funds are necessary.
10. The demand under Tools and Plant is Rs. 4,000. The allotment sanctioned for the purpose in G.O., No. 1667 W., dated 21st June 1887, is Rs. 1,000. The difference cannot be allotted at present, as no funds are available.
11. As regards other demands under Provincial, the Government regret that funds are not available at present. If feasible, the Superintending Engineer will propose re-appropriations from the grants for other works.
