POSTMASTER GENERAL'S OFFICE,
MADRAS, 23 Mar 1888.

FROM

H. Farrer Esq.

POSTMASTER GENERAL,

MADRAS,

TO

THE SECRETARY TO GOVERNMENT,

Public Works DEPARTMENT,

FORT ST. GEORGE.

SIR,

I have the honor to inform you
that the Director General of the Post office in his
letter No: 13427 dated 9 March 1888, Copy enclosed,
allots for the construction of a new Iron gate
for the Pungamur Post office Rs 66, the amount
saved from the grant for the Badlaganow
Post-office. I accordingly addressed the Super-
-intending Engineer II Circle on the 14 inst,
asking for the transfer of the amount to the
Superintending Engineer I Circle, so that
the work at Pungamur might be
proceeded with, without delay. The
former officer, however, in his letter No: 166a
dated 17 March 1888, Copy enclosed, informs
me

me that he has no power to transfer funds from one Circle to another, that the amount in question has already been sanctioned and that he has forwarded the Correspondence for the orders of Government.

2. As the year is drawing to a close, the matter is urgent. I beg, therefore, the favor of your moving Government with a view to early orders being passed on the Subject.

I have the honor to be

Sir

Your most obedient Servant

H. J. J. J.

Postmaster General

Yours

Copy of a communication from the Director General of the Post office of India to the Postmaster General, Madras, dated Calcutta 9 March 1888, No. 13427

With reference to your letter no 992 dated 1st March 1888 asking for an allotment of Rs 70 for a new gate for the Post office at Pungannur, I have the honor to state that the only sum available in Madras is Rs 66, the difference between the actual outlay on the work in connection with the Post office at Battagandla and the sum allotted for it. The money is in the hand of the Superintending Engineer 6th Circle who will doubtless make it over to you on your asking for it for the proposed work.

2. The Estimates are returned.

Copy of a communication from the Superintending Engineer 6th Circle to the Postmaster General Madras dated 17th March 1888 no 166 C.

With reference to your telegram dated 14 instant and letter no 13426 dated 9th idem from the Director General of the Post office of India, regarding a transfer of Rs 66 from the grant for the Post office building at Battagandla
