Forwarded to the Chief Engineer P.W.
Department together with copy of report
by Assistant Superintendent of Police

the man to be rid of all bother, threw away the
boxes with the greatest portion of their contents
in a tank named Chennapecheruvu of Ram-
picherla excluding money, a coat, a cheque,
which the Police soon spotted and recovered.

Thus the greatest portion of the stolen property
was recovered by the 10th December 1887 and as
no evidence could be procured to convict the
Kuttubady with any of those acts, he could
not and was not proceeded against Crimi-
nally. The recovered property was duly made
over to Mr. Ainley.

Copy of a letter No. 103 of 18th February 1888 from
the Assistant Superintendent of Police Madras
namely Suddapah District.

As regards the complaint of Mr. Amley
Supervisor P.W.D. that the 3 boxes of his with
the property therein, to the value of Rs. 308-6-8
in toto were stolen from his tent at Rumpi-
cherla on the night of the 24th Nov. last. I
beg to report that the case in question viz C.N. 32
of Orakampet Sec 380 I.P.C. was handled by
Head Constable K1002 Venkataswamy, 362 Hupain
Bry &c besides being enquired into by me locally
at Rumpicherla. At first the suspicion of
the Police was directed against the Lascar
Peer Saib in the employ of the Complainant
but on careful enquiry at Rumpicherla and
after examining Kurum Subramiah of
Motu Mullyala that suspicion was cleared
as baseless and untenable and the Police were
led to direct their suspicion against Lutcham.
Jadu a Kuttubadi of Rumpicherla who, it would
appear, was ordered to guard the tent during the
complainant's sojourn at Rumpicherla.

The Police enquiry led them to suspect this
man as the arch conspirator and that he
committed the crime. And as he was con-
stantly hunted and watched by the Police men,

And I beg to suggest the issue of a
number of small instead of one large
imprest cheque.

I was not aware till now that
this part of Vilpando is a regular
rest of thieves.

It is almost inaccessible part. No
Cart can get through it and there
is no chance of crime being over-
taken by punishment.

A few roads through this jungle
would have a good effect in many
ways besides the repression of crime.

It may be pertinent to remark
that my own loss is about 200 rupees
worth.

Copy of letter No. 370 dated 27 November
from Sub. Divisional Officer
Madanapally to the Executive Engineer
Andalapat.

I beg to enclose a copy of my
No. 369 of this date to the Assistant
Superintendent Police reporting the
robbery of my Camp at Rumpichala
on the night between the 24th and
25th Instant.

My cash box was unprovided
with a chain but I had taken the
precaution of having it always close
to the head of my cot and trusted to
my wakefulness for its protection. On
this night, I was unusually restless,
so the thieves must have been very
old hands.

I beg you will recommend
that a supply of small notes may
be kept in the Treasuries, where it
is hard to get them just now, so that
I can keep my deposit in notes.
