GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezvada, 2nd April 1888, No. 10 K. S.:—

I have the honor to submit herewith for sanction a revised estimate and comparative statement for constructing a landing stage below the Kistna anicut at Bezvada, together with a plan.

2. The amount of the estimate is Rs. 23,925, or Rs. 2,359 in excess over the last sanction of Rs. 21,566.

3. The present wall ends abruptly and has no return in connection with the bank. The present estimate provides for a circular return as shown in the plan. The necessity is obvious. Bandies cannot, with safety, use the ramp in its present state.

4. I have not stepped up the foundations, as the soil is bad and the wall, if so stepped, would be sure to crack.

5. I have ordered the work to be proceeded with in anticipation of sanction, as unless the foundations are laid and the wall raised a certain height before 1st of June 1888, the work would have to be postponed for 12 months. If you do not approve of my proceedings, please wire me to stop the work.

6. This estimate was called for many months ago by Mr. Rundall, but as it was not submitted by the divisional officer, I had to prepare it in my own office.

ORDER—dated 20th April 1888, No. 1182 W., Public Works.

The revised estimate, amounting to Rs. 23,925, for constructing a landing stage below the Kistna anicut at Bezvada is sanctioned in supersession of the estimate of Rs. 21,566 sanctioned in G.O., No. 1918 W., dated 2nd August 1886.

2. The expenditure on the work up to the end of 1886-87 was Rs. 17,876, and the grant for 1887-88 was Rs. 3,691. The question of placing the balance of the estimate, viz., Rs. 2,358, at the disposal of the Public Works Department, will be considered in the Revenue Department.

3. This sanction has been registered as Incorporated Local No. 2 W. of 1888-89, and classified as Communications—Original Works.
