READ—the following papers :—

From J. W. BRASSINGTON, Esq., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepāk, 17th March 1888, No. 1620.

I have the honor to recommend that First-class Draftsman P. Moorgasa Moodelly, of this office, at present drawing a salary of Rs. 66, may be promoted from 1st April 1888 next to the special grade with a salary of Rs. 80 rising to Rs. 100. From what I have seen of his work since I took charge of this division, I consider him to be a decidedly superior draftsman and is well suited for the special nature of the work of this division.

Dear Sir,

For order whether
the proposed promotion
shall be sanctioned with
reference to para 2 of the
C.A.'s office note.

With regard to para
1 of the C.A. note, — the
fourth draftsman who
was murdered in
August 1885, though
entered under "present
Scale" is omitted under
"proposed Scale".

The fourth draftsman
was transferred to S.C.
office in 1885, but
no formal order was
passed reducing the
C.A.'s establishment by one
draftsman. The entry
of the post under "present
Scale" seems therefore correct.
17.4.88 C.A.

The proposed promotion may be sanctioned.
Formal order, may also be issued along the
line sanctioned in 1883.
