DOWLAISHWARAM, 20th March 1888
 Recd 26/3/

SIR,

With reference to G. O. No. 2234 W dated
 7-9-86 I have the honor to inform you that an Over-
 -seer Mr. Lewis was put in charge of the Vizainagaram
 Sub Division in the Vizagapatam Division while S. S.
 Raghavachariar temporary Assistant Engineer was on
 3 months privilege leave in October 1886 and consequently
 the Sub Divisional allowance during that period was
 claimed for the Overseer but was objected to by the Examiner
 2. In my letter No. 149 V. W. dated 30-7-86 quoted
 in the above G. O. I recommended the Raghavachariar's
 retention as temporary Assistant Engrs. so that there
 might be no necessity for another Assistant Engineer
 to be sent in his place whilst away & with no intention
 of interfering with the drawing of Sub Divisional allow-
 -ance by the Overseer.

No. 22. 3. I have therefore the honor to request you
" 282 will be so good as to obtain the sanction of Government
" 188 authorizing the Examiner to pass the Sub Divisional
" 1686 allowance (Rs 85-14-11) for the overseers for October, Novem-
" 231. -ber, and December/86.
" 183.

I have the honor to be
Sir,
your most obedient servant

1006
C. Swaleh
Supg: Engineer I Circle.

2. The allowance claimed was
disbursed by the Executive Engineer
prior to audit in contravention
to P.W. Code para 473, and not being
recovered after disallowance, is now
outstanding in the miscellaneous
advance account of the division, and
should be recovered (unless specially
sanctioned by the Government of India)
from either the Executive Engineer,
Asstt. Engineer or the Overseer.

3. I propose to address Govern-
ment very shortly on the subject
of the kind of irregularity here
referred to — the complete disregard
of audit objections and disallowance —
which
is very common, especially in the
1st. Circle.

 Certain months.

The sub-divisional allowance recommended on behalf of Mr. Lewis, overseer, is inadmissible under section 138 rule 2 of the Civil Leave Code, as T. T. Ragavachariar, then temporary Engineer on Rs. 350 per mensem, was granted privilege leave under the provisions of the above ruling, which states that the leave can be granted only if the Local Government considers no substitute necessary, or can provide for his duties without additional expense, vide G. " " Ear Man - 1351 of 16. 4. 88.

In R.O. No. 2234W

On 7 Sept. 1886, it was distinctly stated that temporary engineer T. T. Ragavachariar would be allowed to draw full pay while on privilege leave on the understanding that the State was put to no extra expense thereby - The temporary engineer was granted privilege leave under the

77H

the provisions of Sec 138

Rule 2 of the Civil Leave Code, which states that privilege leave to temporary employees can be granted only if no substitute be considered necessary.

Notwithstanding these orders, and in contravention of para 473 of the P.W. Code, it appears that sub divisional allowance was disbursed to Overseer Lewis in anticipation of audit.

2. In these circumstances, the amount overpaid must be recovered, at the Super's discretion, either from the Sd. Div. or the Asst Div. responsible for the payment, or from the Overseer.

3. The proposals referred to in para 3

3 of the Sd. note above recorded, will be awaited.
