THE HON. W. S. WHITESIDE.

Read—the following letter from the Acting Conservator of Forests, Northern Circle, to the Secretary to the Commissioners of Land Revenue, dated 24th July 1888, No. 952:—

Referring to the Board's Proceedings in the Department of Separate Revenue, Mis. No. 2133, dated the 4th instant, communicated in those of the Land Revenue Department, Forest No. 489, Mis., dated 10th idem, I have the honor to return the larger of the two estimates in question, amounting to Rs. 1,290, and to state that, as it relates to "Original works," it requires the sanction of Government in the Public Works Department, and should, for that purpose, be forwarded through the Revenue Secretariat (*vide* para. 989 of the Madras Public Works Code). My information is derived from the office of the Consulting Architect, and I would ask that Government may be moved to issue very early orders.

Resolution—dated 30th July 1888, Forest No. 540, Mis.

The cost being met by the Salt and Abkari Department, the paper will be transferred to that branch of the Board's office, with the request that the necessary application for the sanction of Government may be made by them.

Resolution—dated 4th August 1888, Mis. No. 2486.

With reference to para. 4 of the Proceedings, No. 448, dated 14th February 1888, disposed of in G.O., dated 2nd March 1888, No. 1472, the Board beg to submit an estimate for alterations and improvements to be made to the room formerly used as a tracing room of the Survey office, in order to fit it for the Forest Museum, and to request that it may be sanctioned at an early date. Only unimportant alterations were contemplated at first, but the Conservator, Northern Circle, now states that as the room in its present state is unsuitable for the purposes of a museum, the improvements provided for in the estimate are necessary.

2. No provision is made for the work in the Department of Public Works budget of the current year; but, as it is urgent, it is requested that a special grant may be sanctioned.

3. The saving effected by the change is about Rs. 70 per mensem.

READ—the following memorandum from Colonel J. O. HASTED, R.E., Secretary to

Adverting to G.O., No. 483-W, of 21st February 1884, the undersigned has the
honor to suggest that orders be issued in the departments under the Chief Secretary

the countersignature of the officer who is responsible that the general arrangements

work is done by the Public Works Department for other Government departments—
